VIDEO SERVICES

Florida State's Sports Information Office has the ability to assist networks and television stations by providing video services through Seminole Productions, Inc. (SPI). Please call general manager Mark Rodin at (850) 644-6275 to arrange for these services. For more information on Seminole Productions, visit seminoleproductions.fsu.edu

XOS DIGITAL EXCHANGE

The Florida State Sports Information Office has partnered with XOS Digital in order to provide over-the-air television stations with instantaneous access to video content. The partnership involves the use of the company's Digital Media Xchange Server that will allow television stations to pull down video content year round. The data transfer speed is much faster than a traditional FTP service allowing very large files to be downloaded in just minutes.

The password-protected video FTP site will be hosting Monday press conferences with Florida State Football Head Coach Willie Taggart.

If you have an interest in creating an account that gives you access to the video weekly, please email Elliott Finebloom (efinebloom@fsu.edu). If you are looking for access just for a particular game week, please email prior to that game to set up a guest account.

SOCIAL MEDIA

Florida State Sports Information is making a continued effort in 2018-19 to utilize social media outlets as another way of passing information to our fans and those who cover our programs. FSU Football's twitter account @FSUFootball and Instagram feed @FSUfootball provide updated information and behind-the-scenes news as does the Noles' Facebook page - facebook.com/FSUFootball.

COVERING THE SEMINOLES

CREDENTIAL REQUESTS

All requests for working press, radio, television, photography or scouting credentials should be directed to our online credentialing site located on the Seminoles.com Media Relations page no later than the Thursday before the game. PHOTOS WILL BE REQUIRED AND MUST BE UPLOADED AT THE TIME YOU REQUEST CREDENTIALS. PHOTO MUST BE IN COLOR AND PROVIDE A CLEAR VIEW OF **THE FACE.** Requests for season credentials should be made at least two weeks prior to the first game. Space for the working press, radio and television is allocated by the FSU Sports Information Office. Any credential questions can be answered by Assistant A.D./SID and Digital Media Elliott Finebloom or Christa Salerno.

PRESS PARKING

Once again, parking is limited in 2018 and passes will be issued on a priority basis within the same guidelines as working credentials. Press parking is approximately 600 yards from the press box, located in the parking garage just north of the Seminole Soccer Complex on Spirit Way.

MEDIA WILL CALL

Media Will Call is located near Gate B in the northwest corner of the end zone. Do not enter the stadium but proceed to the right and enter through the external doors marked "Press Entrance" where the media will call table is located right inside the doors.

PRESS BOX

All media, with the exception of the live network telecast crew, will work from the ninth level of the press box. Media can access the press box only through the designated elevator in the northwest tower of the University Center. After parking, media should proceed down Stadium Drive and move towards Gate B in the northwest corner of the end zone. To enter the press box, do not enter the stadium but proceed to the right and enter through the external doors marked "Press Entrance". The press box opens three hours before kickoff.

INTERNET ACCESS

Internet access is available in the ninth level press box and photo work room. Access will be granted through the FSUMedia network. The password will be available on all seat cards and will also be posted throughout the press box.

RADIO-TV

Florida State will host both home and visiting radio in booths in the press box. Network television (or the network broadcasting live) will be working from a mid-field booth on the eighth level (one below working press). Both home and visiting radio will broadcast from booths at the south end of the ninth level.

PHOTOGRAPHERS

Florida State reserves the right to admit only those photographers deemed to be on the premises for legitimate media purposes and who are shooting for editorial purposes only. All photographers working FSU games should be prepared to show a media ID card and equipment designed to photograph major college football. Florida State uses a double photo line system on its sidelines. Only those photographers actually shooting the game will be allowed on the "front" line. These shooters will be given photo vests upon check-in to allow them front line access. All other photo personnel will be required to stay behind a second line as not to obstruct the view of the shooters. This would include grips, runners and sideline reporters. No media personnel are allowed in the team area of the sidelines at any time during a game. Sideline passes for over-the-air television will be limited to shooters only. Still photographers may have access to the sidelines only. Those holding a photography credential should report to the Press Box where they will be issued a vest, rosters and a pre-game meal. The only access to the field is through the gate at the northwest corner of the stadium near Gate A. A guarded photo workroom is available and located underneath Section 8 on the East side of the stadium in (E-142).

Florida State's broadcast crew is known as one of the nation's best, as it provides insight and entertainment, as well as detailed and expert analysis. The broadcast features award-winning play-by-play announcer **Gene Deckerhoff**, a veteran of the Seminole broadcasts heading into his 40th season. Deckerhoff is nationally known as one of the finest announcers in the South. The "Voice of the Seminoles" is a 14-time winner of the NSSA Florida Sportscaster of the Year Award and has been inducted into the Florida Sports Hall of Fame. A native of Jacksonville, Fla., Deckerhoff has been the play-by-play announcer for the Tampa Bay Buccaneers of the NFL for the past 29 years, making for some very busy fall weekends. He runs Gene Deckerhoff Productions, a firm specializing in sports broadcasting and the production of radio and television commercials.

National Champion and Super Bowl winner **William Floyd** joins Deckerhoff in the booth as the color analyst. Floyd is now in his 11th season broadcasting FSU football games after joining the team in 2008. The former Florida State great is very familiar with the broadcasting world as he has hosted his own radio show in the Bay Area and worked as a reporter and studio analyst for SUN Sports. Sideline reporter Tom Block joins Deckerhoff and Floyd in providing in-depth analysis during the game. Florida State's game-day broadcasts begin two hours prior to every kickoff.

VOICE OF THE NOLES STILL BOOMING IN 40TH YEAR

Gene Deckerhoff joined an elite list of esteemed radio broadcasters when he called his 400th Florida State football game against Virginia in 2011 and is approaching his 500th game called (483). Now in his 40th season, the Jacksonville native and Florida grad moved to Tallahassee for the job he has now held since the 1979 season.

Deckerhoff was selected over two other broadcasters of some note - Tom Mees, who became a national figure at ESPN, and Craig Sager, who was best known for his NBA work with Turner Sports.

A bona fide legend in broadcasting and one of only four announcers ever inducted into the Florida Sports Hall of Fame, Deckerhoff has also called FSU basketball since 1974 and been the voice of the Tampa Bay Buccaneers since 1989.

In 2015, Deckerhoff was presented with the prestigious Lindsey Nelson Award for broadcasting excellence. He has been honored with the Florida Sportscaster of the Year Award 14 times and is a member of the Florida State University Athletics Hall of Fame. In 2013, Deckerhoff won the National Football Foundation Chris Schenkel Award.

The only FSU football games he has missed were bowl games that the school did not have the rights to broadcast.

INSIDE SEMINOLE FOOTBALL

"The Inside Seminole Football Show" will be televised throughout the entire state of Florida, featuring the head football coach of the Florida State Seminoles, Willie Taggart. Coach Taggart will be joined each week on the show by host Tom Block to review the action-packed highlights of the previous week's game, while taking an inside look at the program and preview the next week's opponent.

WILLIE TAGGART TALK SHOW

On Monday evenings, Seminole fans have the chance to hear from FSU head coach Willie Taggart and "The Voice of the Seminoles" Gene Deckerhoff during the Willie Taggart Talk Show live from the Four Points in downtown Tallahassee. Coach Taggart's radio show is an hour-long broadcast beginning at 7 p.m. The show features Coach Taggart and Deckerhoff reviewing the previous week's game and looking forward to the next opponent while working providing insights to the program and interacting with fans.

SEMINOLE PRODUCTIONS

Anyone who has visited the second floor broadcast facilities in the Moore Athletic Center has seen them - the two very large, yet overcrowded trophy cases in the Seminole Productions area. That's because each and every year, Florida State's Seminole Productions is recognized for excellence. With an experienced, award-winning professional staff and talented students, Seminole Productions is viewed as a leader in sports production, graphics, and visual communications. ESPN executives visited the state of the art SP facility and were so impressed, that they set in motion the groundwork to form a strategic partnership with Seminole Productions.

Seminole Productions was the first ACC member to produce a spotlight live event for ESPN's main linear channel when it produced the 2017 NCAA Women's Softball Tallahassee Regional Championship Game and 5 other games that weekend. SP also produced the final home football contest vs LA Monroe for ESPN. Since then, Seminole Productions has produced over 20 Live Linear Events for ESPN and hundreds of ACC Network/ESPN 3 broadcasts. ESPN has also contracted Seminole Productions to produce live events and show programming for their sports networks including ACC Network Extra, ESPN3, ESPN2, and ESPNU. SP produced Live Events for ESPN include Football Pro Day, Football National Signing Day, and Football Spring Games, as well as Baseball, Basketball, Soccer, Softball, Volleyball, Tennis, and also multiple NCAA Championships, just to name a few.

Seminole Productions, with the help of FSU Athletics, also recently completed a multi-million-dollar renovation to its control room's and studio facilities. The new and enhanced state of the art facility is now capable of running multiple network broadcasts and video board productions simultaneously. The new broadcast areas are so advanced that major networks can run their broadcasts out of Seminole Productions control rooms without the need of expensive broadcast TV and satellite trucks. Another round of multimillion dollar upgrades will begin prior to the launch of the ACC Network in 2019.

Established in 1987, Seminole Productions handles virtually every video production need for Florida State Athletics. It produces Inside Seminole Football, Leonard Hamilton, Sue Semrau and Mike Martin TV shows, Seminole Gametime, as well as Seminole Sports Magazine and other contracted shows for major networks. Seminole Productions also provides all of the production elements and support for Seminole Vision, the in-game entertainment productions for all Florida State football, basketball and baseball home contests with more in-venue videoboards coming on-line soon. Creating the perfect blend of high-tech wizardry with outstanding Seminole sports action is a big part of what Seminole Productions is all about. Seminole Productions also provides visual communication support for the government and other agencies throughout the State of Florida.

Over the years, Seminole Productions has won over 300 national and international awards in a variety of production and graphics categories. It has been recognized for its work with Florida State athletics on both TV programs, and for content running on FSU's Big Screen displays. SP staff members were even nominated for multiple Emmy Awards over 3 consecutive years.

Beyond its professional work, Seminole Productions main mission is one of teaching and is a part of the FSU College of Communications and Information. Director Mark Rodin is a Faculty member and Senior Directors Jim Garbarino and Kirby Kander are adjunct professors for the College. FSU Communications students get to learn from industry professionals while working on real world professional productions for national networks learning their craft on state of the art equipment. Seminole Productions has placed students in the broadcasting and film industries everywhere from New York to Los Angeles and with professional sports teams nationwide. COACHES

2018 FLORIDA STATE FOOTBALL

WILLIE TAGGART

HEAD COACH

Experience:	1st season at FSU/ 9th as head coach/ 20th as collegiate coach
Hometown:	Palmetto, Florida
Alma Mater:	Western Kentucky, 1998
Family:	wife Taneshia; sons Willie Jr. and Jackson; daughter Morgan

Florida State hired Florida native Willie Taggart to be its 10th full-time head football coach on Dec. 5, 2017. Taggart is considered one of the best offensive minds in the country and has already proven to be a relentless and effective recruiter.

Taggart returned to the Sunshine State, where he was the head coach at the University of South Florida from 2013-16, after one season as head coach at the University of Oregon. He began his head coaching career at his alma mater, Western Kentucky University, from 2010-12 after serving as an assistant from 1999-2006. Between his tenures at Western Kentucky, he was an assistant coach at Stanford from 2007-09. Taggart has led remarkable turnarounds at each of his three previous head coaching positions. In the season prior to his hire, the programs Taggart inherited were a combined 7-29, and the best team he took over before arriving at FSU was a 4-8 Oregon squad. His overall record is 47-50, including a 25-12 mark since the start of the 2015 season. In that same timespan, his offenses have the fourth-highest points-per-game average among FBS head coaches behind only Mike Gundy, Kliff Kingsbury and Urban Meyer.

Taggart jumped out to a hot start at Oregon, leading the Ducks to a 77-21 win in his first game in Eugene. The point total tied for the highest in the NCAA in 2017, was Oregon's highest since 1916 and included a school-record nine rushing touchdowns. The offensive fireworks continued as Oregon scored 42 first-half points in each of the first three games of the season, marking the first time in school history the program scored at least 42 points in one half in three straight games. The Ducks began the season 5-1 and completed the regular season with another offensive explosion, defeating rival Oregon State 69-10 for the team's seventh 40-point offensive output of the season. Oregon ranked in the top 30 in the NCAA in 15 different statistical categories, including boasting the 12th-best rushing offense in the country rushing for 251.0 yards per game and the 18th-highest scoring offense averaging 36.0 points per game. On defense, the Ducks ranked 24th in the country in third-down defense allowing a .333 conversion percentage and 27th in fourth-down defense at .417. The defense had one of the best performances of the season against Arizona's Khalil Tate, who ranked seventh in the NCAA with an average of 128.3 rushing yards per game, holding him to only 32 yards rushing in a 48-28 victory.

Showcased by Taggart's Gulf Coast Offense, running back Royce Freeman rushed for 1,475 yards and ranked 10th in the country with an average of 122.9 rushing yards per game in 2017. His rushing total allowed him to break the program record for career rushing yards with 5,621 yards, the sixth-highest total in NCAA history. Freeman was a third-round draft pick by the Denver Broncos in the 2018 NFL Draft and led a group of four former Taggart pupils selected. The 2018 NFL Draft marked the fourth straight year at least three former Taggart players were taken.

Taggart returned home to the Tampa Bay area prior to the 2013 season to take over a South Florida team that won three games in 2012 and turned the Bulls into one of the most exciting programs in the country by 2016. In his final year at the helm in Tampa, Taggart led South Florida to a 10-2 record and No. 25 ranking in the final regular season poll, the team's first ranking since 2011 and only the second time in program history the Bulls were ranked at the end of the regular season. His offense averaged 43.6 points per game, ranking seventh in the country, and was fifth in the nation averaging 291.8 rushing yards per game. The 2016 season also marked the first time since 2010 the Bulls qualified for back-to-back bowl games.

With Taggart serving as the primary play caller, his offense broke 33 program records in 2016, including scoring, total touchdowns, total yards, rushing yards, yards per play, yards per rush and points per game. Quarterback Quinton Flowers was named the American Athletic Conference Offensive Player of the Year after becoming the first USF player to post 2,000 yards passing and 1,000 yards rushing in the same season, highlighting a program-record 10 all-conference selections.

Taggart helped build the offensive juggernaut with the top-ranked recruiting classes in the AAC in both 2014 and 2015. He also oversaw a vast improvement in the classroom while at USF, which improved its Graduation Success Rate in each of his four seasons and boasted a program-record 38 academic all-conference honorees in 2015.
His first head coaching job was one of the most difficult reclamation projects in the country, taking over his alma mater that had lost 20 games in a row. He quickly led Western Kentucky to its first two winning seasons since transitioning from FCS to FBS and in 2012 saw the program reach its first bowl game. The Hilltoppers had a 12-2 stretch from Oct. 2011 through Oct. 2012 with their only two losses coming to No.1-ranked LSU and top-ranked Alabama. Taggart again made a splash in recruiting as he signed the top class in the Sun Belt in 2010 and 2011.

Prior to being named head coach at WKU, Taggart was the running backs coach at Stanford, where he helped tutor 2009 Doak Walker Award winner, Pac-10 Offensive Player of the Year and consensus first-team All-American Toby Gerhart. That year, Gerhart's average of 144.7 rushing yards per game helped the Cardinal rank second in the Pac-10 and 11th in the nation with 224.3 yards per game on the ground and break the school's single-season rushing record that had stood for 60 years with 2,481 total yards. The team also led the Pac-10 in total offense with an average of 441.4 yards per game.

Taggart's time as an assistant at Western Kentucky started in 1999 as wide receivers coach before shifting to coach quarterbacks in 2000, a position group he continued to coach for the rest of his time at WKU. He added co-offensive coordinator duties for the 2001 and 2002 seasons and served as assistant head coach for his final four years.

Taggart helped direct an offense that set school records with 432 points, 5,749 yards of total offense and 263 first downs on the way to the 2002 NCAA Division I-AA national championship. That season, the Hilltoppers ranked second in the nation in pass efficiency and sixth in rushing yards per game. The offense saved its best performances for the playoffs, where it averaged 38.8 points per game in the four postseason wins. Under Taggart's guidance from 2003-06, quarterback Justin Haddix set school records with 8,890 yards of total offense, a 57.1 completion percentage, 50 touchdowns and a 137.28 pass efficiency rating. Haddix also ranked second in program history with 541 completions and 7,929 passing yards.

Taggart transitioned to coaching after authoring a playing career that ranks among the best in WKU history. He was the program's starting quarterback all four years and broke 11 school records, highlighted by his 47 rushing touchdowns, and left school holding the NCAA Division I record for rushing yards by a quarterback. He also ranked second in program history with 286 points, a 127.71 pass efficiency rating and 3,997 rushing yards and tied for third with 17 100-yard rushing games and for fourth with 30 touchdown passes.

HARLON BARNETT

DEFENSIVE COORDINATOR/DEFENSIVE BACKS

Experience:	1st season at FSU/ 16th as collegiate coach
Hometown:	Cincinnati, Ohio
Alma Mater:	Michigan State, 1990
Family:	wife Tammy; son Todd; daughter Tori

Harlon Barnett was hired by Florida State as the program's defensive coordinator and defensive backs coach in January of 2018.

Barnett joined the Garnet and Gold following an 11-year run coaching defensive backs at his alma mater, Michigan State. He was promoted to associate head coach while retaining co-defensive coordinator responsibilities in 2017 after serving as assistant head coach and co-defensive coordinator for the 2015 and 2016 seasons. During his time in East Lansing, the Spartans were 100-45 with three Big Ten championships and were selected for the College Football Playoff in 2015.

At Michigan State, he coached three All-Americans, one Thorpe Award winner, eight different first-team All-Big Ten performers and a total of 27 all-conference recognitions. He also tutored back-to-back Big Ten Defensive Back of the Year winners after Darqueze Dennard won the award in 2013 and Kurtis Drummond claimed it in 2014. Seven of his defensive backs have been selected in the NFL Draft, including Dennard taken 24th overall in 2014 by the Cincinnati Bengals and Trae Waynes picked 11th overall in 2015 by the Minnesota Vikings to become the highest-drafted Spartan in the modern era of the NFL Draft.

In 2017, Barnett directed a unit that led the Big Ten and ranked second in the NCAA in rushing defense, allowing only 95.3 yards per game on the ground. The team also ranked seventh in the NCAA in total defense by holding opponents to 297.6 yards per game, 18th in third-down defense with a conversion percentage of only .328, 19th in the country in scoring defense, allowing an average of 20.0 points per game, and had the nation's 17th-best passing efficiency defense rating. He was nominated for the Broyles Award, which is given annually to college football's top assistant coach.

Sophomore safety David Dowell earned first-team All-Big Ten recognition, and freshman cornerback Josiah Scott was a third-team all-conference selection, first-team Freshman All-American and a member of the Big Ten's All-Freshman Team. Under Barnett's tutelage, Dowell became only the second Spartan sophomore defensive back to earn first-team All-Big Ten honors and first since 1983, and Scott made 12 starts in 2017, the most by a true freshman position player in head coach Mark Dantonio's 11 seasons at MSU.

In his first season coordinating the defense, Michigan State won 12 games and the Big Ten championship on its way to the College Football Playoff semifinal at the Cotton Bowl. The Spartans forced 28 turnovers, the ninth-highest total in FBS, while also ranking in the top-25 in rush defense, sacks and scoring defense. Six times that season MSU held its opponent to less than 100 yards rushing. In 2014, he led Drummond and Waynes to All-America honors as Drummond became just the fifth All-American safety from Michigan State.

The Spartans had a historic stretch of defensive dominance from 2011-14 when Michigan State was the only FBS team to rank in the top-10 in total defense each of the four years and became only the second Big Ten team to lead the conference in rushing defense four straight years since the conference started recognizing statistical champions in 1985. The rush defense ranked in the top-two of the NCAA for three of Barnett's final five seasons, including an NCAA-best 88.5 yards per game in 2014.

The 2013 defensive backfield was highly acclaimed as all four starting defensive backs received All-Big Ten honors, including three first-team selections. That year, Dennard won the Thorpe Award as the nation's best defensive back and became the first cornerback in program history to earn unanimous first-team All-America honors.

In 2012, Michigan State ranked third in the nation and first in the Big Ten with a pass efficiency defense rating of 98.8. The Spartans also led the conference with 14 interceptions, ranked second in the Big Ten with 77 passes defended and tied for third with 63 pass breakups. Dennard and Johnny Adams both earned first-team All-Big Ten recognition as the Spartans swept the cornerback spots.

In 2010 and 2011 all four of Barnett's starters were named to the All-Big Ten Team as MSU grabbed 35 interceptions over those two seasons. The 2010 squad helped lead Michigan State to its first conference championship since 1990 by ranking in the top-25 in pass breakups, passes defended and interceptions. In 2011, the Spartans led the Big Ten and tied for 12th in FBS with 18 interceptions while also ranking 11th in pass defense and 18th in pass efficiency defense.

In his first season at Michigan State, Barnett's secondary ranked fourth in the Big Ten in pass defense and collected 12 interceptions, which were the most for the Spartans since 2003. His 2008 defensive backfield, led by first-team All-Big Ten selection and Thorpe Award finalist Otis Wiley, recorded 14 interceptions and broke up 50 passes.

Barnett moved to East Lansing with Dantonio after spending three seasons on his staff at Cincinnati and coaching four defensive backs to all-conference honors. In his first season, Barnett directed a secondary that ranked first in Conference USA and 26th in FBS by allowing only 194.2 passing yards per game. In 2006, Cincinnati had the Big East's third-ranked pass efficiency defense with a rating of 109.3 that ranked 23rd in the nation.

Barnett began his collegiate career as a graduate assistant on LSU's coaching staff in 2003, where he reunited with his former position coach at MSU Nick Saban. That year, the Tigers won the BCS National Championship, the program's first national title since 1958, after defeating Oklahoma in the Sugar Bowl to complete a 13-1 season. The Cincinnati native started coaching in his hometown, serving two seasons as secondary coach and three more as defensive coordinator at Princeton High School.

Barnett authored an impressive career on the gridiron at Michigan State, compiling 154 tackles, six interceptions and 13 pass breakups. He was a three-year starter for the Spartans and earned first-team All-America honors in 1989 when he helped Michigan State rank No. 1 in the Big Ten in rushing defense and total defense. As a sophomore, he helped the Spartans win the Big Ten title and claim their first Rose Bowl victory in 32 years.

His seven-year NFL career began when he was selected in the fourth round of the 1990 NFL Draft by the Cleveland Browns. After three seasons in Cleveland, Barnett played the next two seasons with the New England Patriots before two seasons with the Minnesota Vikings.

Barnett earned his bachelor's degree in communication from Michigan State in 1990. He and his wife Tammy have two children, Todd and Tori.

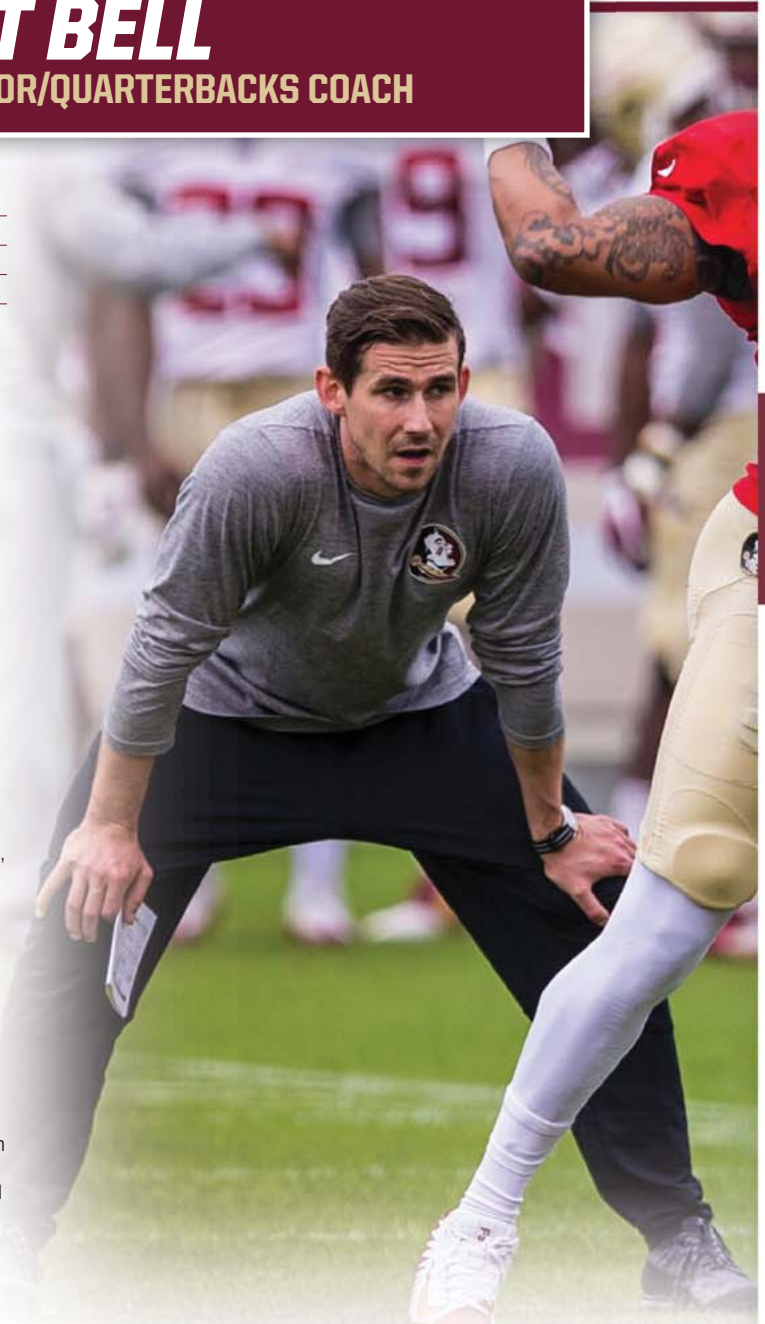
WALT BELL

OFFENSIVE COORDINATOR/QUARTERBACKS COACH

Experience:	1st season at FSU/ 12th as collegiate coach
Hometown:	Dickson, Tennessee
Alma Mater:	Middle Tennessee State, 2005
Family:	wife Maria



Walt Bell was hired as the Seminoles' offensive coordinator and quarterbacks coach in January of 2018.

Considered one of the most dynamic young offensive minds in college football, Bell joined the Seminoles after two seasons as offensive coordinator and quarterbacks coach at Maryland. He has four years of offensive coordinator experience, with an average of 31.8 points per game as a coordinator, and has also coached at North Carolina, Oklahoma State, Southern Miss and Memphis.

In 2017, Bell oversaw an offense that started four different quarterbacks due to injuries and was one of two teams in the country to win at least three games with three different starting quarterbacks. Even with so much instability at the quarterback position, the Terrapins only threw eight interceptions and tied a program record for fewest turnovers with 14, a number that ranked 19th in FBS. Maryland opened the season with a 51-41 victory at No. 23 Texas, breaking the school record for points in a game against a ranked opponent.

Bell's offense featured Big Ten Receiver of the Year DJ Moore, who broke the single-season school record with 80 catches, a conference-high average of 6.7 per game, and led the Big Ten with 1,033 receiving yards while becoming the program's third 1,000-yard receiver. Moore, who was the Carolina Panthers' first-round selection in the 2018 NFL Draft after declaring following his junior season, ended his career with a streak of 33 straight games with at least one reception.

In 2016, Bell made his mark on Maryland's offense immediately as the Terrapins scored a program-record 173 points in the first four games of the season. Maryland rushed for 2,594 yards in 2016, ranking fourth in the Big Ten with an average of 199.5 yards per game, while scoring 26 touchdowns on the ground. The rushing yards total marked the program's seventh 2,500-yard rushing season and first since 2003, while the rushing touchdowns were the most in College Park since 2007. Quarterback Perry Hills led the Big Ten in completion percentage and ranked second in the conference in passing efficiency.

Bell joined the Maryland staff after two seasons as offensive coordinator, assistant head coach and quarterbacks coach at Arkansas State. In his 26 games in charge of the offense, the Red Wolves recorded 11 games with more than 500 yards of total offense, 18 400-yard games and 24 300-yard games. The 2015 team ranked 12th in the country with an average of 40.0 points per game and had eight All-Sun Belt selections, including offensive linemen Jemar Clark and Colton Jackson and wide receiver J.D. McKissic on the first team.

In 2014, Arkansas State broke single-season school records with 6,194 yards of total offense, an average of 476.5 yards per game, 1,024 plays, 477 points and 65 touchdowns. The team ranked 18th in the country in scoring offense by averaging 36.7 points per game, 20th in total offense and 25th with an average of 216.4 rushing yards per game.

Bell spent the 2012 and 2013 seasons as tight ends coach and recruiting coordinator at North Carolina. During his time in Chapel Hill, he helped the offense break 35 school records. The 2013 team averaged 432.4 yards of total offense, including 277.4 yards per game through the air. In 2012, North Carolina won the ACC's Coastal Division crown and ranked 14th in the nation with an average of 485.6 yards of total offense per game. As recruiting coordinator, he helped pull in two classes ranked in the top-five of the ACC.

Tight end Eric Ebron was a standout performer for the Tar Heels under Bell's guidance, developing into the 10th overall pick in the 2014 NFL Draft. Ebron twice earned All-ACC acclaim and was a first-team All-American in 2013 after he piled up 973 receiving yards, the most by a tight end in ACC history. In 2012, Ebron tripled his output from the previous season and finished with 40 receptions for 625 yards.

Bell was at Southern Miss in 2010 and 2011, serving as the Golden Eagles' offensive graduate assistant in 2010 before being promoted to wide receivers coach for the 2011 season. That 2011 team won the Conference USA title and the Sheraton Hawai'i Bowl, finishing with a school-record 12 wins behind an offense that ranked 14th in the country in scoring and 17th in total offense. In 2010, the offense recorded a then-school-record 5,894 yards and broke the school record with an average of 453.38 yards per game.

Prior to his time at Southern Miss, Bell spent the 2009 season as a quality control coach at Oklahoma State. That year, the Cowboys finished 9-4 and played in the Cotton Bowl. He began his coaching career as a graduate assistant coach at Memphis in 2007 and 2008, helping the Tigers to back-to-back bowl appearances.

Bell, a native of Dickson, Tennessee, was a four-year letterman at Middle Tennessee State. He played wide receiver for the Blue Raiders and also earned two degrees, graduating in 2005 with a bachelor's degree in criminal justice administration and in 2006 with a master's degree in sport management.

ODELL HAGGINS

ASSOCIATE HEAD COACH/DEFENSIVE TACKLES

Experience:	25th season at FSU/ 25th as collegiate coach
Hometown:	Bartow, Florida
Alma Mater:	Florida State, 1993
Family:	wife Robin; daughter Amelia Grace

Odell Haggins enters his 25th season on Florida State's coaching staff in 2018 after head coach Willie Taggart announced on Dec. 26, 2017, that Haggins would be FSU's associate head coach and coach the defensive tackles, a group Haggins has led since 1996.

Haggins was named Florida State's interim head coach on Dec. 1, 2017, and the next day led the Seminoles to a 42-10 victory over ULM that clinched bowl eligibility for the 36th straight year. He finished his time as interim head coach with a 2-0 record after leading FSU to a 42-13 win in the Independence Bowl that clinched a 41st consecutive winning season for the Seminoles. Haggins was promoted to associate head coach in 2014 and has helped FSU post a 235-72-1 (.765) record with 13 ACC titles and two national championships in his time on staff. In recognition of his many accomplishments at Florida State, he was inducted into the Florida State Athletics Hall of Fame class of 2018.

Haggins starred on Florida State's defensive line from 1986-89. He began his career as a tight ends/offensive line coach with the Seminoles in 1994 and took over the interior defensive line duties in 1996, where he has remained a fixture for more than 20 years.

Haggins has repeatedly developed future NFL pros while at Florida State. He has coached 18 defensive linemen that have been selected in the NFL Draft, including first-round selections Brodrick Bunkley in 2006, Travis Johnson in 2005, Corey Simon in 2000 and Andre Wadsworth in 1998. Wadsworth was the No. 3 overall pick and remained the highest-drafted player in FSU history until 2015 when Jameis Winston was selected No. 1 overall.

Named one of the six best defensive line coaches in college football by CBS Sports in 2008, Haggins has repeatedly turned out top-flight talent. In addition to the first-round selections, he has coached second-round picks Eddie Goldman and Timmy Jernigan, Pro Bowler Darnell Dockett, as well as Larry Smith, Andre Fluellen, Jerry Johnson, Julian Pittman and Letroy Guion.

Haggins has established himself as an outstanding recruiter, developer of talent and a role model to his players. He earned ACC Top Recruiter of the Year honors from ESPN in 2012. In 2014, Haggins was named one of the top 25 recruiters in the nation by Rivals.com for the fourth consecutive year. He captured the same top-25 mention from 247Sports in 2016.

The 2017 version of FSU's defensive line was a dominant force in the middle as senior Derrick Nnadi, who would be taken in the third round of the 2018 NFL Draft by the Kansas City Chiefs, and redshirt junior Demarcus Christmas teamed up to wreak havoc in opponents' backfields. Nnadi was a third-team All-ACC selection after setting career-high marks with 53 tackles and 10.0 tackles for loss, while Christmas also posted career highs of 36 tackles and 4.5 tackles for loss. In 2016, the Seminoles ranked first in the nation in sacks per game and were fifth in the ACC in rushing defense while Nnadi garnered first-team all-conference recognition.

Haggins' defensive line anchored one of the nation's best defenses in 2015. The Seminoles ranked ninth in the country in scoring defense and allowed only 10 rushing touchdowns, fifth-fewest in the country, while improving from 17 sacks in 2014 to 32 in 2015. Two defensive linemen captured all-conference honors as Nile Lawrence-Stample was a first-team selection and Nnadi was on the third team. In 2014, Goldman captured third-team All-America honors from the Associated Press and was a first-team All-ACC selection. The Seminoles advanced to the first-ever College Football Playoff, set an ACC and FSU record with a 29-game winning streak and captured the program's third straight ACC championship that season.

A staunch interior defense played a prominent role in helping Florida State to its third national championship in the 2013 season. Jernigan enjoyed another fine season as he earned All-America nods from several organizations including the Football Writers Association of America, Associated Press and USA TODAY. The high-powered run-stuffer in the trenches led a defensive front that surrendered just seven rushing touchdowns, the fewest in the nation. Florida State's defensive tackles paved the way for the nation's top scoring defense and the third-best total defense. The work of the front four was noticeable on several fronts, including allowing just 124.8 yards per game to opposing rushers. Opponents averaged just 3.3 yards per rush against the stout defensive front of the Seminoles, and FSU continued its strong pass rush, racking up 35 sacks.

The 2012 season saw three Seminole defensive tackles earn All-ACC honors with senior Everett Dawkins and sophomore Jernigan capturing second-team recognition while senior Anthony McCloud picked up honorable-mention accolades. In part due to suffocating pressure up front, the Seminoles ranked second in the nation in total defense in 2012, yielding just 254.14 yards per contest. FSU allowed opposing running backs just 2.75 yards per carry, which tied for fourth in the country. Jernigan was productive in his first season under Haggins' tutelage, becoming a Freshman All-American in 2011 with 100 tackles, including 16.5 for loss. FSU's run defense allowed opposing backs to average just 2.35 yards per carry, which led all 120 FBS programs, and the Seminoles ranked fourth nationally in total defense.

Haggins helped produce one of the best defensive lines in the nation in 2010 as the Seminoles ranked third in FBS in quarterback sacks per game and tied with Boise State for first nationally in total sacks with 48.

Haggins' 1999 defensive front included future NFL standouts Corey Simon and Jerry Johnson, who were instrumental in FSU's 12-0 run to the national championship. The Seminoles boasted the nation's top-ranked defense in 1998 and the No. 1 rushing defense in 1996 and 1997. The 2008 defense ranked first nationally in tackles for loss.

Haggins has won at every level as a player and a coach. He was on the front end of Florida State's dynasty years, starring at nose guard for the Seminoles. FSU posted a 39-8-1 record with Haggins on the defensive line, and he was part of four bowl-winning teams. He earned Kodak, Walter Camp and UPI All-America honors as a senior in 1989.

A ninth-round pick in the 1990 NFL Draft by the San Francisco 49ers, Haggins went on to play for the Buffalo Bills during their 1991 Super Bowl season. Following a three-year NFL career, he returned to Florida State, completed his degree and joined Bobby Bowden's staff following the Seminoles' 1993 national championship season.

Haggins and his wife, Robin, have one daughter, Amelia Grace.

DAVID KELLY

WIDE RECEIVERS/RECRUITING COORDINATOR

Experience:	1st season at FSU/ 20th as collegiate coach
Hometown:	Union, South Carolina
Alma Mater:	Furman, 1979
Family:	wife Belinda; daughter Brittany

David Kelly is in his first season with the Seminoles in 2018 and returns to the field with more than 30 years of coaching experience.

He was on head coach Willie Taggart's staffs at Oregon and South Florida, serving as assistant athletic director for football recruiting operations and director of player personnel, respectively. He has coached wide receivers at some of the top programs in the country, including LSU, Georgia Tech, Stanford and UCF, and coached running backs at Georgia following a successful run as head coach at Dunwoody High School in Georgia.

In the previous two seasons, Kelly played a vital role in the recruiting operations at Oregon and South Florida. He is a highly respected coach and recruiter with experience at the high school level, ACC, SEC, Pac-12, Conference USA and, most recently, in the Canadian Football League with the Edmonton Eskimos. He was named one of the top 25 college football recruiters in the nation by ESPN in 2010 and by Rivals in 2009.

His most recent collegiate coaching job was at UCF, where he served as the assistant head coach and wide receivers coach from 2007-11 after spending 2006 as the program's director of high school relations. In 2010, the Knights won 11 games, captured the Conference USA championship and defeated Georgia in the Liberty Bowl for the first bowl win in program history. In his first season as a coach at UCF, he helped the Knights compile a 10-4 record and win the conference championship.

Kelly's group developed depth every season as the offense counted on contributions from multiple wide receivers. In 2007, true freshman Kamar Aiken caught a team-high five touchdowns and was one of three receivers with at least 20 catches. Aiken made nine touchdown catches in 2009, the most by a UCF receiver since 2005, as part of a 44-catch campaign, and Rocky Ross made 41 receptions. Ross also received Academic All-America honors that season for his work in the classroom.

Before going to Orlando, Kelly was the associate head coach and wide receivers coach at Duke for two seasons. In 2002 and 2003 he coached at Stanford as the Cardinal's offensive coordinator and associate head coach.

He was the wide receivers coach at Georgia Tech in 2000 and 2001, where he developed the best wide receiver corps in the ACC to help the Yellow Jackets win 17 games and make two bowl appearances. While he was in Atlanta, he guided Kelly Campbell to first-team All-ACC honors in 2001. Campbell finished his career as the school's all-time leader in career receptions, receiving yards and touchdown receptions.

His first collegiate wide receivers job came at LSU, where he mentored the Tigers' receivers and tight ends from 1996-99. In each of his first two seasons LSU earned a share of the SEC Western Division crown. The team also appeared in the Peach Bowl twice and the Independence Bowl while he was in Baton Rouge.

Kelly's first full-time college coaching opportunity came as Georgia's running backs coach in 1994 and 1995. There, he coached Pro Football Hall of Famer Terrell Davis, Super Bowl MVP Hines Ward and Robert Edwards, among others. Davis was drafted in the 1995 NFL Draft by the Denver Broncos and became the organization's all-time leading rusher. He was named MVP of Super Bowl XXXII and helped the Broncos win back-to-back championships with a victory in Super Bowl XXXIII. Kelly attended Davis' NFL Hall of Fame enshrinement ceremony in August of 2017. Ward had a 14-year NFL career with the Pittsburgh Steelers and was named to the Steelers' All-Time Team. He won two Super Bowls with the Steelers and was named MVP of Super Bowl XL. Edwards was the 18th overall selection in the 1998 NFL Draft and played six seasons of professional football.

Kelly was the head coach at Dunwoody High School in Georgia for 10 seasons and earned a record of 80-36-1. In 1993, he capped his career with a 15-0 record and the Georgia 4A state championship. That year's team was ranked No. 3 in the final USA Today national poll, and Kelly was named Georgia's Coach of the Year by the Atlanta Journal-Constitution.

Kelly began his coaching career as a graduate assistant at Furman after earning four letters. During his playing career, he saw time at wide receiver, running back and cornerback for the Paladins. He earned his bachelor's degree in education from Furman in 1979 and completed his master's degree in education at Furman in 1981. He and his wife, Belinda, have one daughter, Brittany, who is an aspiring model.

Alonzo Hampton is in his first season as FSU's special teams coordinator in 2018. Hampton joined Coach Taggart's staff for the fourth different time as he was on staff at Oregon, South Florida and Western Kentucky. Hampton also has experience as a successful high school coach in Arkansas and Georgia.

Last season, Hampton was a defensive analyst at Oregon after serving two seasons as South Florida's defensive backs coach and adding special teams duties in 2016. In 2016, Hampton helped lead a defense that forced 26 turnovers, the 18th-highest total in FBS, and returned three for touchdowns to tie for the 19th-highest total in FBS, as the Bulls won a school-record 11 games.

While he was at South Florida, he coached cornerback Deatrick Nichols to all-conference honors both seasons and punt returner D'Ernest Johnson to second-team all-conference in 2016 when his output included an 83-yard punt return touchdown that ranks as the second-longest in program history. Nichols, who recorded a team-high four interceptions in both of his seasons under Hampton, finished his career with 11 interceptions to tie for third on the Bulls' all-time list. In 2015, USF made 17 interceptions, 13 by the defensive backs, to rank 14th in FBS.

Prior to his time with Coach Taggart in Tampa, Hampton was the defensive backs coach at Tift County High School in Georgia for two seasons. In 2014, he helped lead the Blue Devils to a 7-4 record and a spot in the Class 6A playoff bracket.

He was the defensive backs coach at Western Kentucky for the 2011 and 2012 seasons, helping complete the Hilltoppers' historic turnaround and earn the program's first bowl appearance. His defensive backs, led by 2014 NFL Draft pick Jonathan Dowling, boasted the nation's 34th-best pass defense and led Conference USA in pass efficiency defense and total defense in 2012.

Prior to his time at Western Kentucky, Hampton spent five seasons at Arkansas-Pine Bluff. He was promoted from cornerbacks coach to defensive backs coach and finally to defensive coordinator as he proved his mettle within the program. In 2008, his second season coaching the entire secondary, the Golden Lions ranked eighth in FCS in pass efficiency defense, 17th in pass defense and 29th in interceptions. UAPB's 160.9 passing yards allowed per game also ranked first in the SWAC.

Hampton began his coaching career in the high school ranks in Arkansas, serving as defensive coordinator at Warren High School from 2000-03 and then head coach at Dumas High School for the 2004 and 2005 seasons. While he was at Warren, where he also was the head track and field coach, the Lumberjacks posted an overall record of 48-12 and won back-to-back state championships. During his time leading the Dumas program, he also served a minority internship with the Philadelphia Eagles.

Hampton was a member of the football and track and field programs at ULM. He was named team captain and selected to the All-Louisiana Defensive Back Team in 1996. Following his collegiate career, he spent time with the Seattle Seahawks and Jacksonville Jaguars as well as the Frankfurt Galaxy. During his time in Frankfurt, he started in the World Bowl in 1998 and 1999 and helped Frankfurt win the title in 1999.

Hampton earned his bachelor's degree in business administration from ULM in 1996 and his master's degree in teaching from the University of Arkansas-Monticello in 2002. He and his wife, Yolanda, have two children, Alonzo Jr., who will be a freshman defensive back at Northwestern in 2018, and Ashton.

GREG FREY

RUN GAME COORDINATOR/OFFENSIVE LINE COACH

Experience:	1st season at FSU/ 23rd as collegiate coach
Hometown:	Clearwater, Florida
Alma Mater:	Florida State, 1996
Family:	wife Andrea; sons Bryce, Alex, Cameron and Drew

Greg Frey, a member of the Seminoles' 1993 national championship team, returned to Tallahassee with 22 years of collegiate coaching experience to be Florida State's run game coordinator and offensive line coach.

Frey most recently spent the 2017 season as Michigan's run game coordinator while also coaching tackles and tight ends. In his career, he has coached more than 20 student-athletes that reached the NFL and has tutored 22 all-conference honorees.

Frey's group helped pave the way for the fourth-highest rushing attack in the Big Ten in 2017 as the Wolverines averaged 177.7 yards per game on the ground and scored 26 rushing touchdowns. Michigan also was effective at grinding out the clock, holding the ball for an average of 31:57 per game to rank third in the conference and 20th in the NCAA. Offensive tackle Mason Cole earned second-team All-Big Ten honors and broke the school record for career starts by an offensive lineman with 51.

Combined, UM tight ends caught 54 passes for 697 yards and five touchdowns. Sean McKeon led the Wolverines in receiving with 31 catches for 301 yards and caught a team-high three touchdowns, and Zach Gentry ranked second on the team with 303 receiving yards on 17 receptions with two touchdowns. McKeon and Gentry both earned honorable mention All-Big Ten honors, and six tight ends made the Academic All-Big Ten Team.

Before moving to Ann Arbor, Frey spent six years coaching the offensive line at Indiana. While there he also served as the assistant head coach in 2016, co-offensive coordinator in 2014 and 2015 and the run game coordinator for the 2012 and 2013 seasons. His efforts in 2015 resulted in him being a nominee for the Broyles Award, which is presented annually to college football's top assistant coach.

While in Bloomington, he tutored some of the best offensive lines in school history. Right guard Dan Feeney was a two-time first-team All-American, earning first-team honors in 2015 and 2016, and left tackle Jason Spriggs earned first-team All-America status while becoming the program's first Outland Trophy semifinalist in 2015. That year, Feeney and Spriggs became only the sixth pair of offensive line teammates, and first in IU history, to be first-team All-Americans in the same season. Spriggs was selected in the second round of the 2016 NFL Draft by the Green Bay Packers, and Feeney was a third-round pick by the Los Angeles Chargers in 2017.

The 2015 offensive line blocked for one of the most prolific and balanced offenses in NCAA history as Indiana became only the fourth FBS team with a 3,500-yard passer, two 1,000-yard rushers and one 1,000-yard receiver in the same season. The Hoosiers also were the first Big Ten team since Ohio State in 1995 to lead the conference in total offense, scoring offense and passing offense.

In 2014, Indiana rushed for a single-season school-record 3,163 yards led by Tevin Coleman's school-record 2,036 yards that ranked as the 16th-best single-season rushing total in FBS history and placed him sixth on the Big Ten's all-time list. Behind Frey's offensive line, Coleman became only the 18th 2,000-yard rusher in FBS history.

Frey spent the 2008-10 seasons as the offensive line coach at Michigan and helped build an offensive line that blocked for a school-record and Big Ten-high 6,353 yards of total offense in 2010 led by quarterback Denard Robinson's Big Ten-record 4,272 yards of total offense. The Wolverines boasted a balanced attack that season, averaging 250.2 passing yards per game and 238.5 rushing yards per game.

During his first Michigan stretch, Frey coached All-Big Ten performers Taylor Lewan, David Molk, Patrick Omameh, Stephen Schilling and Michael Schofield. Lewan was a two-time Big Ten Offensive Lineman of the Year and was picked 11th overall in the 2014 NFL Draft by the Tennessee Titans. Molk won the Rimington Trophy before being drafted by the San Diego Chargers.

In 2007, Frey was the offensive line coach at West Virginia and helped lead the Mountaineers to an 11-2 overall record, the Big East championship and a Fiesta Bowl victory. His offensive line, anchored by All-American Ryan Stancheck and first-team All-Big East performer Greg Isdaner, blocked for an explosive offense led by Big East Offensive Player of the Year Pat White. The Mountaineers rushed for 297.2 yards per game, the third-best average in the NCAA, ranked ninth in the country with an average of 39.6 points per game and averaged 456.2 yards of total offense per game to rank 15th in the nation.

Frey spent the first 11 years of his collegiate coaching career at South Florida as part of the first staff to bring football to USF, which began its program with the 1997 season. After spending three seasons as a graduate assistant and serving as the Bulls' defensive ends coach in 1999, Frey moved to the offensive line for his final seven seasons in Tampa. In his time with South Florida, the Bulls were 70-43 and played in the first two bowl games in program history.

The 2005 squad set single-season program records with 2,436 rushing yards and an average of 203.0 yards per game on the ground. Both marks stood until 2015, when the Bulls' offense directed by head coach Willie Taggart eclipsed them. In 2001, Frey's line blocked for an offense that recorded a school-record 273 completions while averaging a school-record 273.2 passing yards per game. The team's completion percentage of 63.5 in 2006 also still stands as a single-season school record.

Frey's linemen earned six all-conference selections while he was in Tampa, despite USF only being in a conference for his last four seasons. His group included offensive tackle Kenyatta Jones, who became the first USF player to be drafted when the New England Patriots made him the first selection in the fourth round of the 2001 NFL Draft.

After redshirting his first season for the Seminoles, Frey saw action at both tackle positions during his career. His five years on campus resulted in a 54-7-1 overall record with four ACC championships, five top-four final rankings and Florida State's first national championship in 1993.

A Clearwater, Florida, native, Frey graduated from Florida State in 1996 as a dual major, earning his bachelor's degree in interdisciplinary social science and political science. He and his wife, Andrea, have two sons at home, Cameron and Drew.

TELLY LOCKETTE

TIGHT ENDS COACH

Experience:	1st season at FSU/ 6th as collegiate coach
Hometown:	Miami, Florida
Alma Mater:	Idaho State, 1998
Family:	wife Shikira; sons Jakari and Tellek; daughter Skylar

Telly Lockette is in his first season as tight ends coach at Florida State in 2018 after joining the Seminoles in December of 2017.

Lockette returned to his home state and reunited with head coach Willie Taggart as the pair worked together at South Florida for two seasons. Lockette spent the previous three seasons coaching running backs at Oregon State after serving in the same capacity at USF in 2013 and 2014.

Prior to entering college coaching, he coached two of Miami's most successful high school programs as the head coach at Miami Central and the offensive coordinator at Miami Northwestern, his alma mater. The esteemed list of players he coached in high school includes FSU's all-time rushing leader Dalvin Cook and fellow former Seminole running back and two-time Pro Bowl selection Devonta Freeman.

In 2016 at Oregon State, Lockette directed a rushing attack that broke the school's single-season record with an average of 5.2 yards per carry. That season, the Beavers ranked fourth in the Pac-12 and 28th in the country in yards per rush. While in Corvallis, Lockette oversaw the development of Ryan Nall, who had the 10th-highest rushing average in the Pac-12 in 2017 and in 2016 totaled 1,165 yards from scrimmage and 15 touchdowns. Lockette also coached Artavis Pierce to Pac-12 All-Freshman honors in 2016. Nall, Pierce and Damien Haskins all earned Pac-12 Academic Team recognition while under Lockette's tutelage.

At South Florida, Lockette helped Coach Taggart establish the foundation for the Bulls' ascent to contenders in the American Athletic Conference. Lockette tutored Marlon Mack, the 2014 AAC Freshman of the Year and first-team all-conference selection who led the conference in rushing while becoming South Florida's first 1,000-yard rusher since 2005. In his collegiate debut, Mack rushed for a USF- and AAC-record 275 yards. Mack would go on to earn first-team all-conference honors in each of his three seasons and break 14 school records before being picked in the fourth round of the 2017 NFL Draft by the Indianapolis Colts.

At Miami Central, Lockette earned a 60-10 overall record and won two 6A state championships. The Rockets were ranked as the No. 1 high school team in the nation following their 2012 state title and were the country's No. 2 high school team after a state championship in 2010. Lockette, who also guided Miami Central to the 2011 state championship game, was the first coach in South Florida history to coach a team to three straight state title game appearances.

In addition to his state titles, Lockette had an undefeated record against teams in Dade and Broward Counties for a state-record three straight years. He also was tapped to coach in the Semper Fidelis All-American Bowl twice and was an assistant coach on the USA National Football Team. He was recognized as the Prep Coach of the Year by Nike, the Miami Dolphins and the Miami Herald and earned the Nike Sportsmanship Award.

His final season at Miami Northwestern featured an offense that averaged 43.3 points per game during a 15-0 season that culminated in the 6A state crown, the school's first since 1998. His explosive offense re-wrote the state record book, including breaking the record for points per game in a season. During his time as a high school coach, Lockette worked with more than 70 players who earned college scholarship offers.

Lockette was a standout linebacker at Idaho State during his collegiate playing days. He was a two-time All-American for the Bengals and was inducted into the Idaho State Athletics Hall of Fame in 2013.

Lockette earned a bachelor's degree in education from Idaho State in 1998. He and his wife, Shikira, have three children, Jakari, Tellek and Skylar.

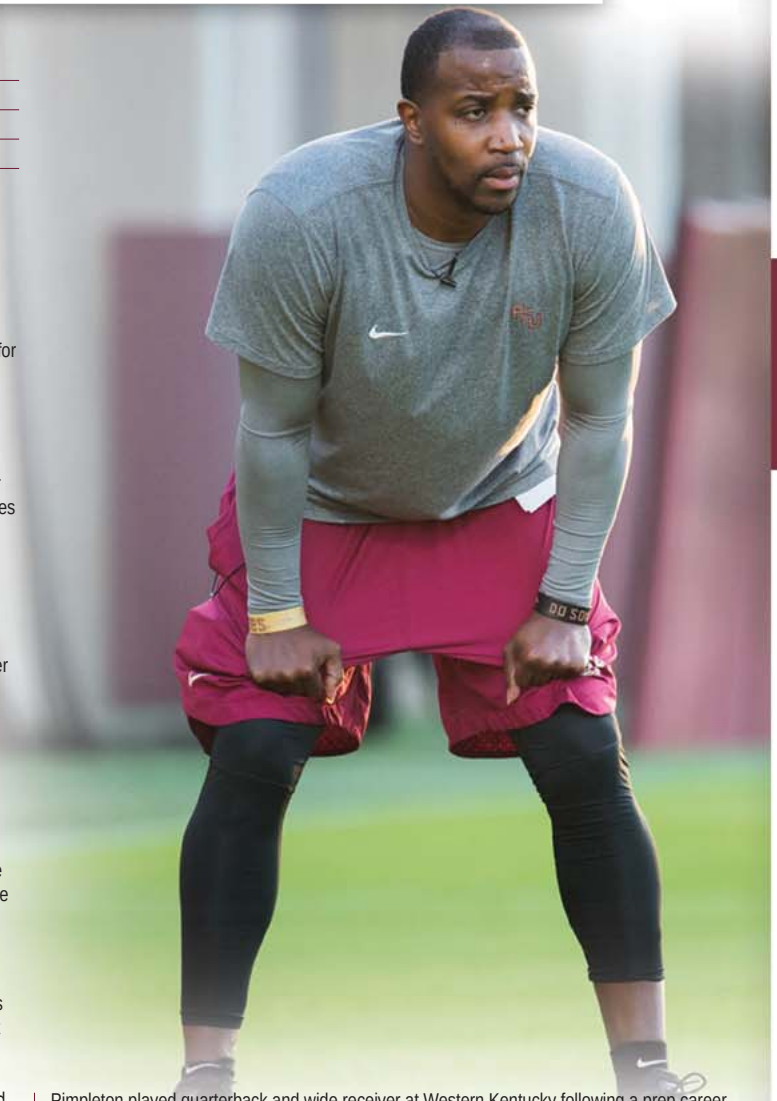
DONTE' PIMPLETON

RUNNING BACKS COACH

Experience: 1st season at FSU/ 10th as collegiate coach
Hometown: Louisville, Kentucky
Alma Mater: Western Kentucky, 2002
Family: wife Nicole; daughter Anistyn



Donte' Pimpleton is in his first season as the Seminoles' running backs coach in 2018.

Pimpleton, who was college teammates with head coach Willie Taggart, has joined his staff for the fourth time. Pimpleton first coached with Taggart at Western Kentucky, where Pimpleton oversaw the wide receivers, before he joined Coach Taggart again at South Florida and Oregon, coaching running backs at both programs.

Last season at Oregon, the Ducks ranked second in the Pac-12 and 13th in the NCAA with an average of 251.0 rushing yards per game, and the team's 40 rushing touchdowns tied for seventh in the nation. Oregon's rushing total was paced by six 300-yard games and 10 games of more than 200 yards on the ground. In the season opener, UO scored an FBS-high 77 points behind nine rushing touchdowns, the most in a game in 2017 by an FBS team.

Pimpleton coached Royce Freeman, a semifinalist for the Maxwell Award and the Doak Walker Award, to second-team All-Pac 12 honors after finishing with 1,475 yards on the ground for an average of 122.9 yards per game. His per-game average ranked 10th in the country, and his 16 rushing touchdowns tied for 14th in the nation. Freeman ended his career with a school-record 5,621 rushing yards, the sixth-highest total in NCAA history. He also broke UO career records with 60 rushing touchdowns, which ranked 10th in college football history, 31 100-yard rushing games, 6,435 all-purpose yards and 64 total touchdowns. Freeman was selected in the third round of the 2018 NFL Draft by the Denver Broncos, marking the second straight year a Pimpleton-coached back was drafted.

At South Florida, Pimpleton helped the Bulls to a program-best record of 11-2 in 2016 while completely rewriting the program's rushing record book. USF set new school records with 3,709 rushing yards, 47 rushing touchdowns, an average of 6.50 yards per rush, an average of 285.7 rushing yards per game, 77 total touchdowns scored, 569 points scored, an average of 43.8 points per game, 300 total first downs and 164 rushing first downs. The Bulls ranked second in the nation in yards per rush, fifth in rushing yards per game and 11th in total offense.

His debut season at USF also made its mark on the record books as the team broke records for most rushing yards with 3,205, highest rushing average of 5.41 yards per carry and most rushing yards per game with 246.5. The team's 28 rushing touchdowns in 2015 ranked second in team history at the time. Pimpleton tutored Marlon Mack for two seasons, helping the school's all-time leading rusher earn first-team all-conference honors in each season and break 14 school records before being picked in the fourth round of the 2017 NFL Draft by the Indianapolis Colts.

Before becoming a member of the USF staff, Pimpleton spent two seasons at Kentucky Wesleyan. He was the Panthers' wide receivers coach in 2013 before being elevated to offensive coordinator in 2014. That season, he directed an offense that broke 10 school records as a team while 13 different individual records fell. The 2014 squad also tied the school record for wins, matching a mark that had stood since 1999. He tutored Keelan Cole, who led Division II in receiving yards, receiving yards per game and receiving touchdowns in 2014 and in 2017 helped the Jacksonville Jaguars win their first division title since 1999.

In 2010, Pimpleton joined Coach Taggart's first staff at Western Kentucky. He served two seasons as an offensive quality control assistant before being promoted to wide receivers coach in 2012 and helping the Hilltoppers reach the first bowl game in program history. His first collegiate coaching opportunity came in 2009 when he was hired as an offensive quality control assistant at Louisville.

Pimpleton began his coaching career in the high school ranks in his hometown of Louisville, Kentucky, serving as wide receivers and defensive backs coach for one season at Iroquois High School before handling both roles for two years at his alma mater, Fern Creek High School. Before joining the University of Louisville staff, he spent two seasons as the offensive coordinator and quarterbacks coach at Doss High School.

Pimpleton played quarterback and wide receiver at Western Kentucky following a prep career as an all-state quarterback at Louisville's Fern Creek High School. At WKU, he gained 1,425 rushing yards with 18 touchdowns and caught 13 passes for 165 yards and four touchdowns in a run-heavy offense. He helped lead the Hilltoppers to the 2000 Ohio Valley Conference championship and earned honorable mention All-Gateway Conference honors in 2001.

Following his collegiate career, he played three seasons in the Arena Football League and two more seasons in the American Indoor Football League.

Pimpleton earned a bachelor's degree in business and communications from Western Kentucky in 2002. He and his wife, Nicole, have one daughter, Anistyn.

MARK SNYDER

DEFENSIVE ENDS COACH

Experience:	1st season at FSU/ 30th as collegiate coach
Hometown:	Ironton, Ohio
Alma Mater:	Marshall, 1988
Family:	wife Beth; daughters Chelsea, Lindsay and Shaylee

Mark Snyder is in his first season at Florida State coaching the defensive ends in 2018. Snyder came to Tallahassee with 29 years of collegiate coaching experience, including 12 as either a head coach or defensive coordinator, and has been on staffs that have won four national championships. He spent the previous three seasons as special teams coordinator at Michigan State, where he also coached the defensive ends and linebackers. During his time in East Lansing, the Spartans won 25 games, including the 2015 Big Ten championship, and played in the College Football Playoff.

In 2017, Snyder's defensive line helped Michigan State lead the Big Ten and rank second in the NCAA in rushing defense, allowing only 95.3 yards per game on the ground. The team also ranked seventh in the NCAA in total defense by holding opponents to 297.6 yards per game, 18th in third-down defense with a conversion percentage of only .328, 19th in the country in scoring defense, allowing an average of 20.0 points per game, and had the nation's 17th-best passing efficiency defense rating.

Sophomore defensive end Kenny Willekes thrived under Snyder's tutelage in 2017. The former walk-on led the Spartans in tackles for loss with 14.5 and in sacks with 7.0, totals that also ranked sixth in the Big Ten. Willekes was a third-team All-Big Ten selection and a finalist for the Ted Hendricks Award. Sophomore defensive tackles Mike Panasiuk and Raequan Williams both earned honorable mention all-conference honors.

Kicker Matt Coghlin was named to the Big Ten All-Freshman Team and an honorable mention All-Big Ten performer after tying the MSU freshman record for field goals made with 15. He finished the season 15-of-19 on field goals, making his last eight in a row to end the season, and a perfect 38-of-38 on PAT attempts. Coghlin's makes included a game-winning 34-yard field goal as time expired to give MSU a 27-24 win over No. 7 Penn State. Punter Jake Hartbarger also garnered honorable mention All-Big Ten honors after averaging 42.0 yards per punt with a long of 62 yards and 12 punts of 50 yards or more.

During his first two seasons at Michigan State, he led four Spartan linebackers to All-Big Ten recognition, including two-time recipient Riley Bullough, who made a team-high 106 tackles as a junior before collecting 76 as a senior despite missing time due to an injury. Bullough was signed by the Tampa Bay Buccaneers in 2017 and appeared in three games as a rookie.

In 2015, all three of Michigan State's starters earned All-Big Ten accolades, helping lead the team to the Big Ten championship and an appearance in the College Football Playoff semifinal at the Cotton Bowl. The linebackers helped pace a defense that ranked 11th in FBS in rushing defense, 25th in scoring defense and 26th in total defense.

The Spartans' special teams played a crucial role in the 2015 championship season and were directly responsible for two game-winning plays as time expired. At No. 12 Michigan, Jalen Watts-Jackson scooped up a fumble by the Wolverines' punter that he returned 38 yards for a touchdown to give the Spartans a 27-23 victory. The touchdown was later voted the No. 1 play during the 2015 season at the ESPN College Football Awards Show. At No. 2 Ohio State, kicker Michael Geiger made a 41-yard field goal to give the Spartans a 17-14 victory and snap the defending national champions' 23-game winning streak.

Snyder was Texas A&M's defensive coordinator from 2012-14. In 2014, he coached true freshman Myles Garrett, who broke school and SEC freshman records with 11.5 sacks and was a consensus first-team Freshman All-American and second-team All-SEC performer. Garrett went on to be picked No. 1 overall in the 2017 NFL Draft by the Cleveland Browns. In 2012, Snyder oversaw the development of consensus first-team All-American Damontre Moore, who recorded 85 tackles, including 21.0 for loss with 12.5 sacks, and was a third-round pick by the New York Giants in the 2013 NFL Draft. The Aggies finished the 2012 season with an 11-2 record and a win in the Cotton Bowl over Oklahoma behind a defense that ranked 26th in FBS by allowing an average of 21.8 points per game.

As the defensive coordinator and linebackers coach at South Florida in 2010 and 2011, Snyder oversaw a top-25 rushing defense both seasons. In 2010 the Bulls allowed 125.6 rushing yards per game and were 22nd in the country before improving to 15th in the nation with an average of 107.3 yards per game on the ground in 2011. The 2011 team collected 99 tackles for loss, the second-highest total in the nation, and ranked fourth in the country with 39 sacks, while the 2010 team ranked 17th in total defense and 22nd in scoring defense. Snyder coached first-team All-Big East defensive tackle Terrell McClain, who was selected in the third round of the 2011 NFL Draft by the Carolina Panthers, as well as Super Bowl champions Jacquian Williams, who won Super Bowl XLVI with the New York Giants, and Kayvon Webster, who won Super Bowl 50 with the Denver Broncos.

Snyder was the head coach at Marshall for five seasons, during which he led the program's transition from the Mid-American Conference to Conference USA. He won 22 games, including a 6-6 mark and berth in the Little Caesars Pizza Bowl in 2009, and produced 40 all-conference selections, led by 2006 Conference USA Defensive Player of the Year Albert McClellan. Defensive end Vinny Curry was the Conference USA Defensive Player of the Year and won Super Bowl LII as a member of the Philadelphia Eagles. Running back Ahmad Bradshaw was a two-time all-conference performer before being selected in the seventh round of the 2007 NFL Draft by the New York Giants. He helped the Giants win Super Bowl XLII and Super Bowl XLVI while becoming only the eighth running back in NFL history to be the leading rusher in multiple Super Bowls.

Snyder spent four seasons at Ohio State, helping the Buckeyes win the 2002 national championship and post a 40-11 record from 2001-04. That 2002 squad ranked second in the nation in scoring defense, allowing an average of 13.1 points per game, and third in rushing defense, giving up only 77.7 yards per game on the ground. In 2003, Ohio State ranked second in the country in rushing defense, 10th in total defense and 16th in scoring defense while putting together an 11-2 record and a No. 4 final ranking.

While in Columbus, Snyder oversaw the development of first-team All-American and three-time first-team All-Big Ten linebacker A.J. Hawk, who won the Lombardi Award and was the No. 5 overall pick by the Green Bay Packers in the 2006 NFL Draft. He also coached Bobby Carpenter, the 18th overall selection in the 2006 NFL Draft, Rob Reynolds, a fifth-round draft pick in 2004, Cie Grant, a third-round selection in 2003 and Matt Wilhelm, who was a first-team All-American before being picked in the fourth round of the 2003 NFL Draft.

Prior to his time at Ohio State, he was the defensive ends coach at Minnesota for four seasons. While there, he helped develop first-team All-American and first-team All-Big Ten performer Lamanzer Williams, who led the nation with 18 sacks in 1997. He also coached Karon Riley, who led the Big Ten with 16 sacks in 1999 and earned first-team All-Big Ten recognition in 2000.

Snyder spent six seasons on staff at Youngstown State, where he helped the Penguins win three I-AA national championships and play in four consecutive national title games. At Youngstown State, he coached outside linebackers, inside linebackers and the secondary while spending two seasons coordinating the Penguins' special teams and one season as defensive coordinator. His first college coaching experience came at Central Florida, where he was a graduate assistant in 1989 before being promoted to linebackers coach in 1990.

As a player, he was an honorable mention All-American and first-team All-Southern Conference free safety at Marshall. He led the SoCon with a school- and conference-record 10 interceptions in 1987, and he made 124 tackles during his senior season to help the program reach its first national championship game.

Snyder graduated from Marshall in 1988 with a bachelor's degree in sport management and marketing. He and his wife, Beth, have three daughters, Chelsea, Lindsay and Shaylee.

RAYMOND WOODIE

LINEBACKERS COACH

Experience:	1st season at FSU/ 9th as collegiate coach
Hometown:	Palmetto, Florida
Alma Mater:	Bethune-Cookman, 1996
Family:	wife Stephanie; sons Raymond and Kaden; daughter Alanah

Raymond Woodie is in his first season coaching the Seminoles' linebackers in 2018 after joining head coach Willie Taggart's staff for the fourth time.

Woodie coached defensive ends and linebackers at Western Kentucky before serving as linebackers coach, assistant head coach and defensive coordinator at South Florida and then outside linebackers coach and special teams coordinator at Oregon. He is one of only three staff members to be with Coach Taggart in every season of his head-coaching career.

Woodie orchestrated a nearly perfect kicking game in 2017 as Oregon finished the season 63-of-63 on PAT attempts and 9-of-12 on field goals. Additionally, the team's average of 22.73 yards per kickoff return ranked third in the Pac-12. Long snapper Tanner Carew earned first-team All-America honors from Phil Steele and was invited to the Senior Bowl, and freshman Brenden Schooler was a first-team All-Pac-12 selection as an all-purpose/special teams player. Kicker Adrian Schneider broke Oregon's school record with 51 career made field goals. On defense, Woodie's outside linebackers made major contributions to a unit that ranked 23rd in the country with 25 turnovers forced, 22nd with an average of 7.2 tackles for loss per game and 24th in rushing defense by allowing 128.5 yards per game on the ground. The team's total defense ranking soared from 126th in 2016 to 46th in 2017.

At South Florida, Woodie held the title of assistant head coach for two seasons and coordinated the Bulls' defense during their record-breaking 2016 season. That year, USF won a school-record 11 games while the defense forced 26 turnovers to rank 18th in the country and returned three for touchdowns, tied for the 19th-highest total in the nation.

He also oversaw the linebackers at South Florida, coaching two to all-conference recognition. In 2014, Nigel Harris led the country and broke a school record with six forced fumbles. Woodie tutored the Houston Texans' sixth-round selection in the 2015 NFL Draft, Reshard Cliett, and also helped DeDe Lattimore and Harris reach the NFL.

In 2015, he was responsible for the Bulls' special teams and coached the sixth-best kickoff return unit in the country as USF finished the year with a program-record average of 26.66 yards per return. Kickoff returner Rodney Adams was a second-team all-conference selection after leading the American Athletic Conference and ranking sixth in the NCAA with his average of 29.1 yards per return. Adams was selected in the fifth round of the 2017 NFL Draft by the Minnesota Vikings.

Woodie boasts an impressive resume on the recruiting trail and impacted Florida State immediately as he was ranked as the No. 2 recruiter in the ACC by 247Sports in 2018, despite having less than two months to recruit for the Seminoles after he was hired. Woodie earned AAC top recruiter recognition by Rivals in 2014 and was named the Sun Belt's Recruiter of the Year by Scout/FoxSports.com in 2012. He was also ranked as the No. 1 recruiter in the Pac-12 and No. 13 nationally by 247Sports during the 2017 season. He helped Coach Taggart sign the AAC's top classes in 2014 and 2015, directly recruiting nine of USF's 10 all-conference selections in 2016, and the highest-ranked classes in the Sun Belt in 2010 and 2011.

While at Western Kentucky, he recruited Venice, Florida, native Forrest Lamp and Lakeland, Florida, native Andrew Jackson to Bowling Green. Lamp was a second-round pick by the Los Angeles Chargers in the 2017 NFL Draft and Jackson was selected in the sixth round of the 2014 NFL Draft by the Indianapolis Colts. They are two of seven Hilltoppers recruited by Woodie to play in the NFL.

Before entering college coaching with Taggart at Western Kentucky, Woodie was a high school head coach in South Florida for 13 seasons. He was the head coach at Palmetto High School from 2007-09 and led the Tigers to a district title in 2008. From 1997-2006, Woodie was the head coach at Bayshore High School following one season as the team's defensive coordinator and led the Bruins to the state playoffs seven times. When he took over as head coach he was only 23 years old, making him the youngest head coach in the state.

Woodie lettered as an outside linebacker and strong safety at Bethune-Cookman from 1992-95, where he earned GTE Academic All-America honors and was a I-AA All-American and first-team All-MEAC performer his final two seasons. As a junior, he broke the program's single-season record with 14.5 sacks. Following his collegiate career, Woodie spent one season playing for the CFL's British Columbia Lions.

A native of Palmetto, Florida, and graduate of Palmetto High School, Woodie graduated from Bethune-Cookman in 1996 with a bachelor's degree in criminal justice and earned his master's degree in education from National Louis University.

Woodie and his wife, Stephanie, have three children, Raymond, Alanah and Kaden.

(3/3) FLORIDA STATE	7
(1/1) ALABAMA	24

SATURDAY, SEPT. 2, 2017 • ATLANTA, GA. • MERCEDES-BENZ STADIUM

Auden Tate

- Junior receiver Auden Tate had two receptions for 41 yards, including a three-yard touchdown pass from redshirt sophomore Deondre Francois in the second quarter.
- Francois was 19-of-33 for 210 yards and a touchdown. He completed passes to seven different receivers, including seven to sophomore Keith Gavin for 50 yards. Gavin did not record a catch as a freshman and made his first start against the Crimson Tide.
- The defense, led by redshirt senior linebacker Matthew Thomas and redshirt sophomore safety Derwin James, held Alabama to 96 passing yards and 173 rushing yards. It was just the second time under Nick Saban that Alabama has passed for fewer than 100 yards and rushed for fewer than 200 in the same game (Tulane, 2008).
- Matthew Thomas led the team with 10 tackles. Over his past three games (Florida & Michigan in 2016), Thomas has 32 tackles and has led the team in tackles each game.
- Junior Josh Sweat led the team with one sack as the Noles took down Jalen Hurts twice.
- Freshman running back Cam Akers was one of six true freshmen to play for the Seminoles. Akers had 30 rushing yards and an 11-yard reception. Two redshirt freshmen - Josh Ball and Janarius Robinson - also made the first appearances of their career.
- Three sophomores - Gavin, defensive end Brian Burns and defensive back Levonta Taylor - made the first starts of their careers.
- Francois continued to climb FSU's all-time lists. Francois ranks 16th in FSU history with 3,560 passing yards, 17th with 254 completions and 21st with 21 touchdown passes. Francois left the game in the fourth quarter with a leg injury.
- Defenders Tarvarus McFadden (5), Fredrick Jones (5) and Ro'Derrick Hoskins (9) all set career highs for tackles.
- George Campbell's 21-yard catch in the first quarter was his first since the 2015 opener.

11 FLORIDA STATE 38 — FLORIDA 22

SATURDAY, NOVEMBER 25, 2017 • GAINESVILLE, FLA. • BEN HILL GRIFFIN STADIUM

- FSU won for the fifth straight time against Florida and the fourth consecutive time in Gainesville. Both of those are FSU highs against the Gators. FSU improved to 7-1 against the Gators since 2010.
- This game was the first time since 1988 that FSU scored two non-offensive touchdowns in a game against Florida and the first time ever that FSU has scored two defensive touchdowns against the Gators (62 games).
- Jacob Pugh's fumble recovery for a touchdown was his third career fumble recovery. The score was the first of his career.
- Brian Burns' sack on Florida quarterback Feleipe Franks was his fourth of the season and 13th of his career. Burns forced the fumble that led to Pugh's touchdown. Burns has three of FSU's seven forced fumbles this season. Burns added 2.5 tackles for loss and two pass breakups.
- Cornerback Levonta Taylor's interception on the final play of the first quarter was his first career takeaway. His second was in the second quarter, an 18-yard interception return for a touchdown. He is the first Seminole since Pugh against Notre Dame in 2014 with two interceptions in a game.
- Stanford Samuels III recorded his first career sack, a seven-yard loss in the second quarter.
- FSU converted all four Florida turnovers into touchdowns. FSU entered the game with just 24 points off turnovers on the season. The four takeaways are the most for the FSU defense since forcing four in the 2016 season opener against Ole Miss.

- FSU had a 1,000-yard rusher for the fifth straight season (D. Freeman 2013, D. Cook 2014-16, Akers 2017). FSU did not have a 1,000-yard runner between 1997 and 2012.

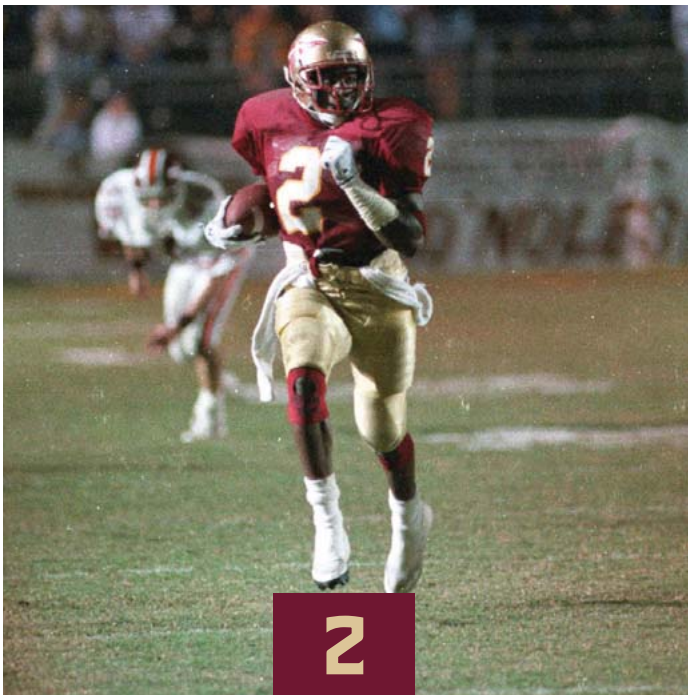
RETIRED JERSEYS & NUMBERS

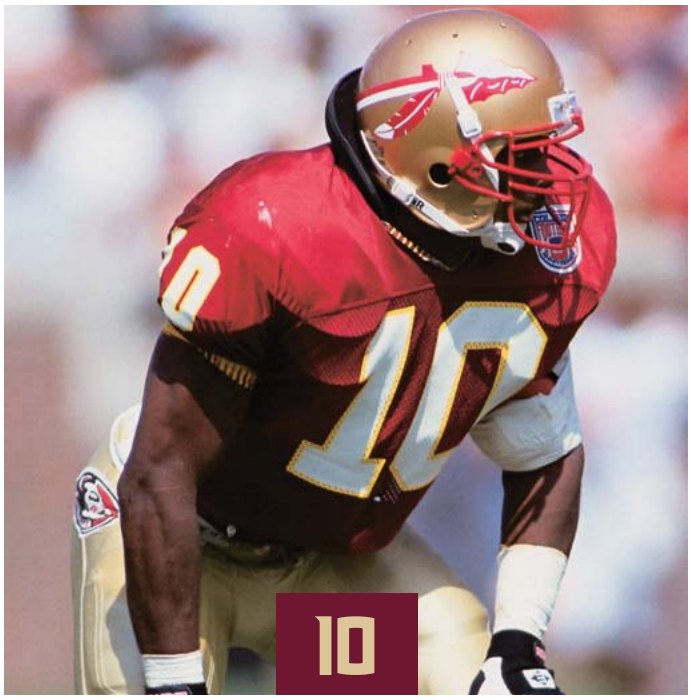
Since Florida State University first fielded an intercollegiate football team 71 years ago, only 10 numbers/Jerseys have been retired. Those numbers/jerseys — 2, 10, 16, 17, 25, 27, 28, 34, 50 and 55 — belonged to 10 of the greatest players in Florida State football history – Deion Sanders, Derrick Brooks, Chris Weinke, Charlie Ward, Fred Biletnikoff, Terrell Buckley, Warrick Dunn, Ron Sellers, Ron Simmons and Marvin Jones. With his blessing, Sellers' #34 was brought out of retirement in 2003. Peter Warrick's No. 9 will become the 11th commemorated jersey in a ceremony during the 2018 season opener.



2 ■ DEION SANDERS

- Defensive Back
- 1985-88

Deion Sanders' place in the history of college football was immortalized over a five month period in 2011 when he was inducted into the NFL Hall of Fame in August and the College Football Hall of Fame in December. Sanders redefined the position of cornerback over his historic career winning the 1988 Jim Thorpe Award as a senior at Florida State and landing two-time consensus All-America honors. He left FSU second on the all-time interceptions list, first for career punt return yards and became one of college football's all-time brightest stars.

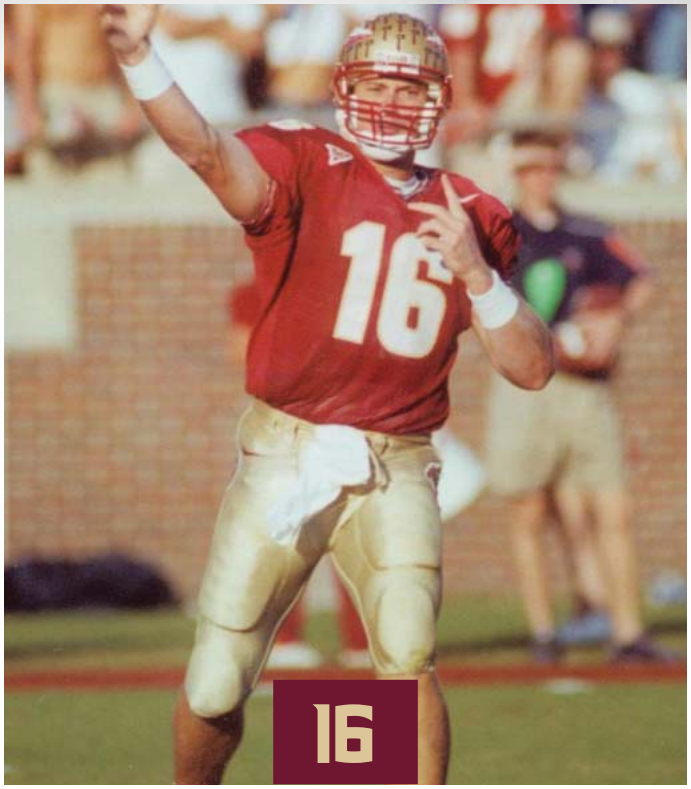


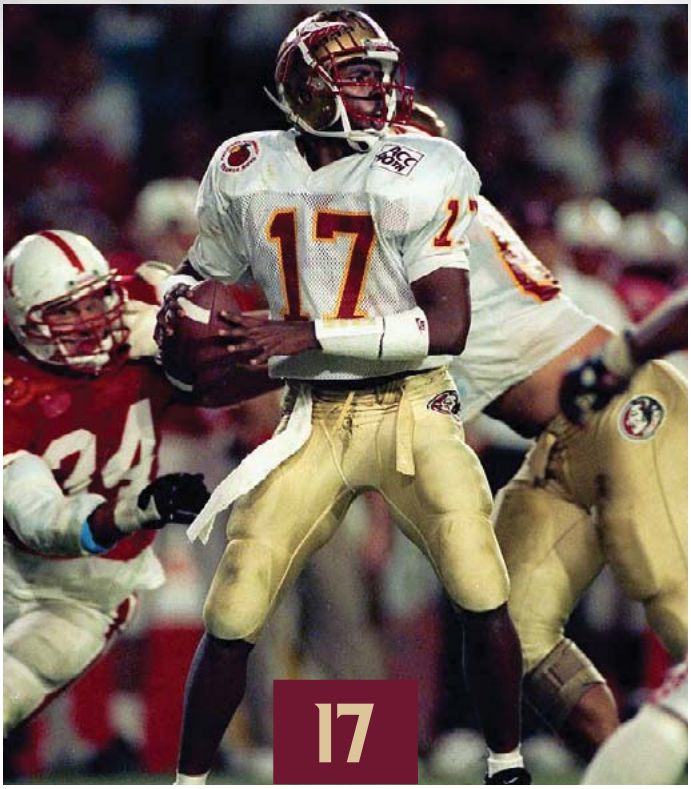
10 ■ DERRICK BROOKS

- Linebacker
- 1991-94

Brooks was a two-time consensus All-American at outside linebacker for the Seminoles where his blend of speed and athleticism set a new standard for the position. He starred at FSU from 1991-94 leading FSU to its first national title as a junior and earning first team All-ACC honors as a sophomore, junior and senior. He was named the ACC Player of the Year in 1994 and was a finalist for the Butkus, Lombardi and Football Writer's Defensive Player of the Year Award in both 1993 and 1994. Brooks was just as highly regarded off the field earning first team Academic All-America honors in 1994 and winning an NCAA Postgraduate Scholarship. In addition, he was committed to public service causes throughout his Seminole career. Brooks carried his excellence both on the field and as a citizen into his Hall of Fame career as the NFL's Tampa Bay Buccaneers' all-time leading tackler. He was voted to 10 consecutive Pro Bowls (11 total) and at the time of his retirement had made an NFL-leading 200 consecutive starts. He led his beloved Tampa Bay team to the Super Bowl title in 2002. As a professional, Brooks was the recipient of several prestigious awards, including the 2000 Walter Payton/NFL Man of the Year award, the 2003 Bart Starr Award, the 2004 Bryon "Whizzer" White Award, and the 2008 JB Award for community service through the NFL Players Association, all of which recognize an NFL player annually for their commitment to the communities in which they live.

RETIRED JERSEYS & NUMBERS

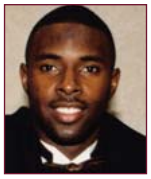




16 ■ CHRIS WEINKE

- Quarterback
- 1997-00

Chris Weinke literally rewrote the Florida State record book over his career as the Seminoles' quarterback. He set 26 school records, including both the FSU and Atlantic Coast Conference records for career passing yards with 9,839. He led the Seminoles to an undefeated season and the national championship as a junior in 1999. He became FSU's second Heisman Trophy winner as a senior in 2000, while leading the nation in passing with 4,167 yards and averaging 347.3 yards per game. Weinke compiled a remarkable 32-3 record as the starting quarterback at FSU, which ranked as the seventh best winning percentage in NCAA history. His 79 career touchdown passes ranked as the 12th best performance in NCAA history and his career passing yards placed him at 18th on the NCAA's all-time list. Weinke owned the first, second and fourth best passing games in FSU history headlined by a school record 536 passing yards against Duke in 2000. His accomplishments were even more impressive considering he suffered a potentially career-ending neck injury as a sophomore. Weinke's place among Florida State's all-time greatest players was recognized when his jersey was retired in 2001, at the time making it one of only seven retired numbers/jerseys in school history. His place among the ACC's all-time best was recognized when he was voted one of the 50 best players in the history of the conference.

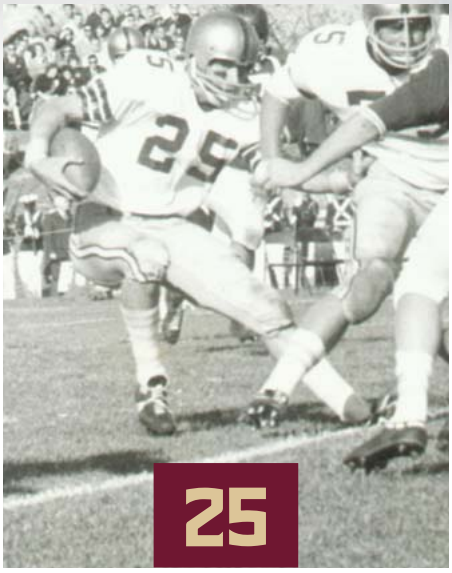


17 ■ CHARLIE WARD

- Quarterback
- 1989-93

Florida State's Charlie Ward began his senior season in 1993 chasing both the school's first national championship and the Heisman Trophy. Ward's passing and running skills were already well known qualities by 1993, but his inspired leadership and poise under pressure during his senior year elevated him to one of the game's all-time greats. So exceptional was Ward's command of the offense that coaches moved him into the shotgun to allow him to make adjustments during the play. Ward set 19 school and seven Atlantic Coast Conference records over his two years as the starting quarterback for the Seminoles. A consensus All-American, Ward won over 30 individual awards in addition to the Heisman. Ward ranks second in career total offense at FSU with 6,636 yards and has the highest completion rate for a career (62.3%) and lowest interception percentage (2.90%). Ward set the FSU record for touchdown passes in a season with 27 in 1993. Thousands of fans poured into Doak Campbell Stadium for a celebration of the national championship and Ward's Heisman, which included the surprise retirement of his number. He joined Fred Biletnikoff and Ron Sellers becoming only the third player in FSU history to be so honored.

RETIRED JERSEYS & NUMBERS



25 ■ Fred Biletnikoff

- Wide Receiver
- 1962-64

Biletnikoff played wide receiver at Florida State from 1962-64 under Head Coach Bill Peterson. He was FSU's first consensus All-American. As a senior, he ranked fourth in the nation with 57 receptions for 11 touchdowns, not including four touchdown catches in the Gator Bowl. Following his collegiate success, Biletnikoff went on to star for the Oakland Raiders of the National Football League for 14 years. During that time, he played in four Pro Bowls and was the Most Valuable Player of Super Bowl XI.

27 ■ Terrell Buckley

- Cornerback
- 1989-91

Florida State retired the jersey of former Seminole and NFL star cornerback Terrell Buckley at halftime of the ULM game on Sept. 3, 2011. Buckley owns most of FSU's interception records following his outstanding three-year career from 1989-91 including the single-season mark with 12 interceptions as a junior. He became FSU's second Jim Thorpe Trophy winner following the 1991 season and finished seventh in the Heisman Trophy balloting. He totaled 21 career interceptions as a Seminole. Buckley was also one of FSU's all-time great punt returners and he scored seven career touchdowns, four on interceptions and three on punts. The Seminoles trailed by 18 points (21-3) late in the second quarter to complete the largest comeback in the game's history. Winston clinched the victory by engineering the game-winning seven-play, 80-yard drive that started with just 1:11 remaining in the game and FSU trailing 31-27 and ended with a two-yard touchdown pass to Kelvin Benjamin to give FSU the lead with 13 seconds left. Winston shattered the ACC record, Florida State record and national freshman record for touchdown passes (40) and broke the national freshman record for passing yards (4,057), while leading the nation and setting the ACC record for pass efficiency rating (184.8). 2018 FLORIDA STATE FOOTBALL

PRO FOOTBALL HALL OF FAME

All-time Florida State gridiron greats Walter Jones and Derrick Brooks are used to making history.

The longtime NFL stars added an achievement that will without a doubt move to the top of their accolade-filled biographies when they were inducted into the Pro Football Hall of Fame in August, 2014.

Jones and Brooks became the first pair of first-ballot Hall of Famers from the same class who attended the same college in over 40 years.

The pair's journey together started 20 years ago. Just as Brooks was wrapping up his All-America career at Florida State in 1994, Jones was joining the Seminoles out of Holmes Community College (Miss.) for the 1995 season.

They never played on the same team at Florida State, but Jones distinctly remembers how excited he was to follow in the footsteps of the star linebacker whom he called the face of the Seminoles' program.

Jones and Brooks were the best at what they did for over a decade in the NFL. Brooks went to 11 Pro Bowls and never missed a game in 14 seasons (all with the Tampa Bay Buccaneers), while Jones became the NFL's premier left tackle, going to nine Pro Bowls over 12 seasons with the Seattle Seahawks.

Both retired in 2008, and, six years later, Jones and Brooks were teammates for the first time as first-ballot Hall of Famers. Their selections to Canton give Florida State four members of the Pro Football Hall of Fame. Deion Sanders was elected in 2011 and Fred Biletnikoff was selected in 1988.

FSU IN THE ALL-TIME BCS/CFP WEEKLY RANKINGS

FLORIDA STATE IN THE ALL-TIME BOWL CHAMPIONSHIP SERIES STANDINGS (1998-2013)

From 1998 to 2013, the Bowl Championship Series produced rankings used to identify the two teams that would play in the BCS National Championship at the end of the season after the other bowl games. The BCS relied on a combination of polls and computer selection methods to determine relative team rankings to narrow the field to two teams in order to crown an undisputed national champion. The BCS also selected matchups for the other BCS bowl games. The BCS was discontinued in 2013. Florida State appeared in the first three BCS National Championship games (1998, 1999, 2000), winning the second in 1999. The Seminoles won the final BCS National Championship in 2013.

FLORIDA STATE IN THE ALL-TIME COLLEGE FOOTBALL PLAYOFF RANKINGS (2014-PRESENT)

The College Football Playoff began in 2014 and was created to select the four best teams to play for the CFP National Championship. A selection committee ranks teams based on conference championships won, strength of schedule, head-to-head results, comparison of results against common opponents and other factors. The final four teams play in two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl and Sugar Bowl with the National Championship rotating to a different city each year and always playing on Monday night. The CFP rankings also selects the teams that play in the four remaining "New Year's Six" bowls that are not selected for the semifinals that year. Florida State played Oregon in the first-ever College Football Playoff Semifinal on Jan. 1, 2015 at the Rose Bowl. The Seminoles have appeared in two additional "New Year's Six" bowl games, facing Houston in the 2015 Chick-fil-A Peach Bowl and defeating Michigan in the 2016 Orange Bowl.

PERRY MOSS
(1959) 4-6-0

Moss was one of two FSU coaches who spent only a year at the school. Midway through the 1959 season, reports were published that Moss would leave to join the Montreal Alouettes of the Canadian Football League. True to the reports, he departed after a brief year in Tallahassee.

BILL PETERSON
(1960-70) 62-42-11

Bill Peterson took over a football program in deep trouble in 1960. When he left, 11 years and four bowl games later, he had become the most significant coach in the first 25 years of Florida State football. Under "Pete," the Seminoles went 62-42-11. The most memorable Peterson year was 1964, when the "Seven Magnificents" led Florida State to a 9-1-1 record and FSU's first ever win over Florida.

Bill Peterson led Florida State to one of the greatest seasons in school history in 1964. The Seminoles finished 9-1-1, defeated Florida for the first time and routed Oklahoma in the Gator Bowl.

LARRY JONES
(1971-73) 15-19-0

Larry Jones compiled a 15-19 record in three years as the Seminole head coach. In his first two seasons, the popular coach led his teams to a 15-8 record; but he is probably remembered most for the 1973 campaign, when his team did not win a game.

DARRELL MUDRA
(1974-75) 4-18-0

Darrell Mudra was a successful coach before arriving at Florida State, and he was successful after he left. At FSU, Mudra inherited an 0-11 team and wasn't able to bring the program back to the glory years it enjoyed under Bill Peterson. Mudra coached from the press box instead of the sidelines.

BOBBY BOWDEN
(1976-2009) 316-97-4*

Bobby Bowden spent 34 years at the helm of the Seminole program that he resurrected beginning in 1976. By far the winningest coach in school history, Bowden accumulated more wins than the previous seven head coaches combined. He finished his career as major college football's all-time second-winningest coach. Bowden took the Florida State program to the top of the college football world and won two national championships (1993, 1999). Bowden's Seminoles were one of the most dominant bowl teams ever posting a 21-9-1 record with NCAA records for consecutive bowl wins (10) and consecutive bowl appearances without a loss (14). Bowden is the only coach in the history of college football to lead teams to 10 or more wins over 14 straight seasons. He is also the only coach ever to lead his team to 14 straight finishes among the Associated Press Top Five.

* Due to sanctions imposed on Florida State by the NCAA, the NCAA recognizes Bowden with 377 overall victories and 304 wins at FSU.

JIMBO FISHER
(2010-17) 83-23-0

Jimbo Fisher led the Florida State program for nearly eight full seasons. He finished his career with five bowl wins, including the 2013 National Championship and two Orange Bowl titles. He earned the highest winning percentage in ACC history (.783) and his 78 wins in his first seven years were the most by a Power Five coach through their first seven seasons in modern history. Fisher guided the Seminoles to three consecutive ACC championships from 2012-2014, winning a school- and ACC-record 29 straight games in the process. In his fourth year as head coach in 2013, Fisher planted the Seminoles back at the top of the college football world, leading Florida State to a 14-0 record en route to the final national championship of the BCS era. Fisher followed up the historic campaign -- which included an NCAA record 723 points and the nation's No. 1 scoring defense (12.1) -- by leading Florida State to the first-ever College Football Playoff Semifinals at the Rose Bowl and capturing the Noles' third consecutive Atlantic Coast Conference championship in 2014.

THIS IS FLORIDA STATE

Florida State University is an elite, research-intensive, public institution and and one of the two original preeminent universities in Florida. Located in Tallahassee, Florida's capital city, the university affords students and faculty opportunities for interaction with state and federal agencies for internships, research and part-time employment, as well as numerous social, cultural and recreational activities. FSU's welcoming campus is located on the oldest continuous site of higher education in Florida, in a community that fosters free inquiry and embraces diversity.

BEGINNINGS

Florida State was established as the Seminary West of the Suwannee by an act of the Florida Legislature in 1851. The institution first offered instruction at the postsecondary level in 1857 and is the longest continuous site of higher education in Florida. In 1905, the Buckman Act reorganized higher education in the state and designated the Tallahassee school as the Florida Female College. In 1909, it was renamed Florida State College for Women. In 1947, the school returned to coeducational status, and the name was changed to Florida State University.

41,900 & COUNTING

In 1946, there were 2,583 students enrolled. In 2017, enrollment stood at 41,900. Of that number, 78 percent were undergraduates, 19 percent were graduate students and 3 percent were unclassified; 81.3 percent were in-state students; 94 percent were from the United States; students hailed from all 50 states and the District of Columbia; 18 states contributed 100 or more students each; 20 foreign countries contributed 30 or more students each; 55.7 percent were female and 44.3 percent were male; 32.7 percent were minorities and 5.5 percent were international students.

LAY OF THE LAND

The university's main campus encompasses 476 acres in Tallahassee, Leon County; the Panama City Campus has 25.6 acres in Panama City, Bay County. The university owns more than 1,650 acres in Leon, Bay, Collier, Franklin, Sarasota and Gadsden counties. In addition, sites are leased in various counties in Florida and other locations overseas.

- Florida State finished the season with 22 All-ACC selections, 80 All-America honors and captured several national individual awards, including the Heisman Trophy, Davey O'Brien Award, Lou Groza Award, Rimington Trophy, Walter Camp Player of the Year and Manning Award.
- FSU had a 1,000-yard rusher for the first time since Warrick Dunn in 1996 as Devonta Freeman amassed 1,016 yards on the ground. The Seminoles also had players break the 1,000-yard receiving mark for the first time since Anquan Boldin in 2002 as Rashad Greene (1,128) and Kelvin Benjamin (1,011) each tallied more than 1,000 yards on the season.
- Florida State set nine ACC team records (wins, total scoring, scoring per game, scoring margin, consecutive 40-pt games, TDs, TDs per game, total offense and passing efficiency) and eight individual conference marks (Jameis Winston – Passing efficiency, Yards per attempt, TD passes, Passing yards and Total Offense; Roberto Aguayo – Points Scored and PATs; Kermit Whitfield – Kickoff Return Average).
- Redshirt freshman quarterback and 2013 Heisman Trophy Winner Jameis Winston led FSU to its third undefeated season in school history and first since the Seminoles went wire-to-wire as No. 1 to win the 1999 National Championship. Florida State held seven opponents to seven points or less and scored at least 41 points in 12 of its 14 games.

9,908 SQUARE FEET OF HD

When the Seminoles opened up the 2016 season, fans were greeted with the tallest video board structure in college football broadcasting in 1080p true high-definition. The upgraded board is three-times larger and twice as high as the old one. The new board stands 63 feet high and it is accompanied by new high definition ribbon boards throughout the stadium. Overall, 9,908 square feet of LED displays were added to Doak Campbell.

NOV. 20, 2004

In a special ceremony prior to the Florida game on November 20, 2004, the home of Florida State football took on a meaning even more special when **Bobby Bowden Field** was dedicated. Now, with numerous additions to enhance the gameday experience, Seminole fans are treated to one of college football's greatest venues.

200 & 300

Bowden's 200th career victory came on Oct. 27, 1990, as FSU routed Louisiana State, 42-3, in Tallahassee. In 2007, Bowden won his **300th** game at FSU on the field that bears his name with a 24-16 win over Maryland.

SOUTH ENDZONE

The south end zone houses the **Florida State University School of Hospitality**, where students in the program receive hands-on experience in various aspects of the food and beverage industry. The multi-level facility is also home to the Champions Club, which includes private entrances, food and drink service in chair-back seats, covered rooftops with cabanas, and WiFi access with panoramic views of downtown Tallahassee.

NORTH ENDZONE

The north end zone, which consisted of wood bleachers until the 1994 season kicked off, is topped by the offices of the football coaches. The offices are just part of the **Daisy Parker Flory wing of the Moore Athletic Center** which includes a number of amenities for the football staff. An even more drastic change came to completion in June of 2005 when the athletics department offices moved back into the newly rebuilt Moore Center.

NOLES WIN 300TH HOME GAME

In 2017, Florida State won its 300th home game with a 27-24 win over Syracuse. Including eight games at Centennial Field from 1947-49, FSU is now 302-96-4 at home.

294 & COUNTING

The Noles are **294-92-4 (.759) all-time at** Doak and 302-96-4 (.756) as the home team, which includes three seasons — 1947-49 — when they played their home games at Centennial Field. FSU was 8-4 at the downtown Tallahassee site, including 8-0 in coach Don Veller's first two seasons.

OCT 7, 1950

Doak Campbell Stadium **opened on Oct. 7,** 1950, with Florida State celebrating a 40-7 victory over Randolph-Macon. Since then, millions of fans have passed through the gates.

"ROUND HERE"
THE GARNET & GOLD STANDARD

Game weekends in Tallahassee can make for a legendary and exciting experience. Fridays before home games serve as primers for "College Football Saturdays in the South" giving Seminole fans from all over their first chance to come together as one. From stadium tours, downtown activities, FSU's Friday Night Block Party and other activities centered around 'Nole game weekends, "Round Here" FSU has made it a Garnet & Gold Standard in creating one of the best college football atmospheres in the country.

ANY GIVEN SATURDAY

Hours before games, students and fans crowd onto the Florida State campus, filling parking lots, the intramural fields and Langford Green to tailgate and enjoy fellowship in getting ready for the big game at Bobby Bowden Field at Doak Campbell Stadium. Florida State ranks fourth in the country in all-time visits from ESPN's College GameDay – a true testament to FSU's reputation for one of the best environments in all of college football.

THE WAR CHANT

Bring your best "chop" upon your arrival in Tallahassee. Fans decked out in Garnet and Gold attire often break out into spontaneous performances of the "Warchant" and the "FSU Fight Song," as well as the famous F-L-O-R-I-D-A S-T-A-T-E chants while using their arm to emulate a Tomahawk Chop.

TALLAHASSEE

Best known as Florida's capital city, Tallahassee shares a deep-rooted history and culture.

It is the county seat and only incorporated municipality in Leon County, and is the 125th largest city in the United States. Tallahassee became the capital of Florida, then the Florida Territory, in 1824.

Located in the Florida Panhandle, Tallahassee is a place where college town meets cultural center, politics meets performing arts and history meets nature, a place where the vibrancy of what to do is matched only by the city's inviting hospitality. Tallahassee offers something for everyone.

THE MARCHING CHIEFS

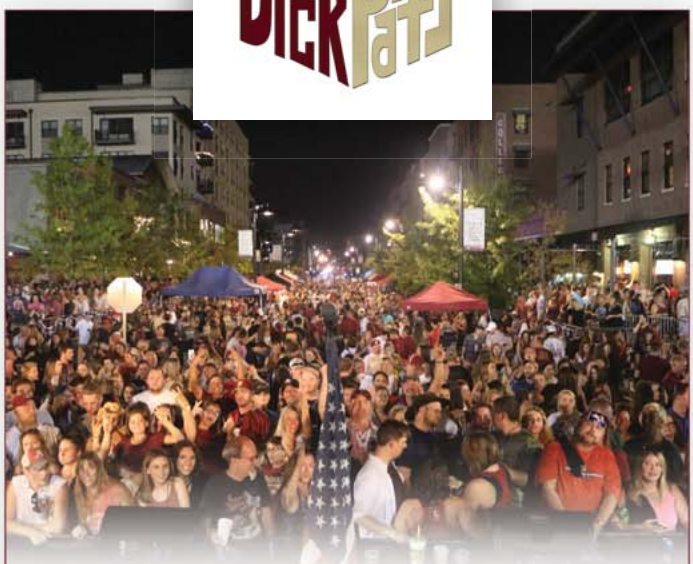
Recognized as the "band that never lost a halftime" by Sports Illustrated, the Chiefs have performed for audiences at the International Trade Fair in Damascus and for the World Football League in London. In addition, the Chiefs perform at all home and select away football games as well as the annual post-season bowl game. Approximately two hours prior to kickoff on home game days, the Chiefs give a live performance, dubbed a "Skull Session," on Mike Martin Field inside Dick Howser Stadium.

"ROUND HERE"

THE GARNET & GOLD STANDARD

CollegeTown at Madison St.

In 2013, Tallahassee became home to a brand new entertainment district, CollegeTown, located just two blocks from campus. Featuring a handful of restaurants and other attractions, CollegeTown has become the heart of game day thanks to the efforts of Seminole Boosters and the City of Tallahassee.



FRIDAY NIGHT BLOCK PARTY

The Florida State community gets rockin' on Friday nights during home weekends. The Friday Night Block Party - the official tailgate event of FSU football - features live music, onsite vendors and special appearances from 5-10 p.m. at Collegetown in the shadows on Doak Campbell Stadium. OSCEOLA
& RENEGADE

THE BEST NCAA FOOTBALL TRADITION IN THE COUNTRY

Arguably the greatest spectacle in college football unfolds moments before kickoff at Doak Campbell Stadium when Osceola charges down the field aboard Renegade, a beautiful Appaloosa, and plants a flaming spear at midfield prior to each home game. This tradition is a tribute to the great Seminole Tribe of Florida.

The tradition was born on Sept. 16, 1978, when a student, portraying the famous Seminole warrior Osceola, led the football team from the tunnel riding a horse as the Seminoles headed into battle against Oklahoma State. The first student to portray Osceola was Jim Kidder riding Renegade I. Since then, six different Renegades and 16 different riders have made the ride and planted the spear, which brings the game day crowd to its feet. In 2018, the tradition of Osceola and Renegade is celebrating 40 years as the 17th Osceola takes to the field aboard Renegade.

Bill Durham, a 1965 FSU graduate, developed the concept of the Osceola and Renegade tradition. He launched the tradition at Florida State University in 1978 after obtaining permission from the Seminole Tribe of Florida. The Durham family provides the beautiful Appaloosa horses involved with the program and has directed the Osceola and Renegade program since its inception with the assistance of the members of the Renegade Team. The regalia used by Osceola is designed for authenticity and approved by the Seminole Tribe of Florida.

Prior to the 2011 season, ESPN's SportsNation voted Osceola and Renegade the best NCAA Football Tradition in the country. A framed rendering of the spear plant was presented to the Durham family during the Oklahoma game on Sept. 17, 2011. That rendering now resides in the Moore Athletics Center.

In 2013, Osceola and Renegade made their second appearance at a National Championship Game, traveling to the Rose Bowl in Pasadena, California, to watch the Seminoles claim their third national title. Osceola and Renegade also appeared at the Orange Bowl where Florida State won its first national championship to cap the 1993 season.

FSU
ATHLETICS

RECORD-BREAKING YEAR

The 2017-18 athletics year was one of the best on record for the Seminoles. Any season that includes a National Championship and a coach setting an all-time NCAA wins record is special, but what the Seminole teams and student-athletes accomplished last season showed true excellence across the board. For the second straight year all 20 of FSU's sports earned an NCAA postseason berth. Four teams made it to the national quarterfinals, one played for a national championship and another won the NCAA Title. The comprehensive success led FSU to rank first among ACC programs and ninth overall in the Learfield Director's Cup. FSU teams captured five ACC titles, tied for the second-most in a season this decade, and the future looks bright for the Seminoles as seven student-athletes were named ACC Rookie of the Year, setting an all-time high for FSU. On top of all the success on the field, for the first time in school history, the student-athlete population posted a cumulative GPA of 3.0 or better.

SOFTBALL CAPTURES TITLE AND FSU'S FAN'S HEARTS

For a storied program that had reached the Women's College World Series nine times before, had three different National Players of the Year and was led by NFCA Hall of Fame Coach JoAnne Graf who was the first in NCAA history to win 1,400 games, the last accomplishment was finally secured as Florida State earned the 2018 NCAA National Championship. The Seminoles became just the third team in NCAA history to lose their first game of the WCWS and come all the way back through the loser's bracket to win the title, joining Texas A&M (1983) and UCLA (2003). The fight the Seminoles showed winning six elimination games during the NCAA postseason endeared the 2018 softball team to the FSU fan base like few other squads have before. Lonni Alameda's team became the 16th National Champions at Florida State and the first ACC team to ever win a softball NCAA title.

THE G.O.A.T.

FSU's legendary baseball coach Mike Martin forever cemented his name in college baseball history with his 1,976th win on May 5 in Clemson, S.C. The Seminoles' baseball coach for the last 39 years will enter the 2018-19 season just 13 wins away from becoming the only member of the 2,000-win club. In his 39 years at the helm of the FSU baseball program Martin has won 40 or more games every season, made 16 appearances in the College World Series and has won eight ACC Championships, including the last two, and three of the last four. Since the 2000 season, FSU has won more games (908) than any other program and since 1990, no DI school has more Top 10 finishes, 50-plus win seasons or NCAA Regional appearances.

PLAYING FOR IT ALL...AGAIN

With a record-setting 33-7 season and the best NCAA Championship run the team has ever seen, the Florida State beach volleyball team fell in the NCAA finals to No. 1 overall seed UCLA to finish as the NCAA National Runner-Up for the second time in three years. The Seminoles went undefeated in the tournament to reach the title match, marking their best championship run to date. The team's previous best finish was in 2016, when they fell in the winners bracket semifinal and finished as the runner-up to then-undefeated USC.

ELITE EIGHT X 2

Both the men's basketball and women's tennis teams put together remarkable postseason runs that ended with both squads playing in the Elite Eight. The women's tennis team upset the Gators in Gainesville to move into the Sweet 16 where they defeated Tulsa to advance to the national quarterfinals for the first time in program history. The win over UF in the second round marked the second time the Noles beat the Gators in 2018. The men's hoops team returned to the Elite Eight for the first time since 1993 and just the third time in school history. The magical NCAA Tournament run included wins over No. 8 seed Missouri, No. 1 seed Xavier, and No. 4 seed Gonzaga. FSU came up just five points shy against No. 3 seed Michigan of a Final Four berth.

THREE OUT OF FOUR

Florida State's Track & Field program reclaimed its place atop the ACC and as one of the top squads in the nation last season. The men and women claimed ACC Indoor titles, while the men followed with their 12th ACC Outdoor crown; the most of any active conference school. The Seminoles were represented by 19 athletes at the NCAA Outdoor Championships, who combined to produce 15 first-team All-American honors. FSU's men placed 11th with 25 points – the highest point-total by a team outside the top 10 in meet history - while the women were 14th.

WINNING ON AND OFF THE FIELD

Since 2009, Florida State teams and student-athletes have been winning on and off the field

SOD CEMETERY

Florida State's sod cemetery holds chunks of the field from great Seminole road wins.

6

Spanning over six decades, "sod games" and the Florida State University Sod Cemetery have been a **rich part of the Seminoles college football history**, commemorating many of the greatest victories.

1962

In 1962, as the Seminoles completed their Thursday practice in preparation to face Georgia at Sanford Stadium, Dean Coyle Moore – a long-time professor and member of FSU's athletic board – issued a challenge: **"Bring back some sod from between the hedges at Georgia."**

OCT. 20 - FSU 18, GEORGIA 0

On Saturday, October 20, the Seminoles scored an **18-0 victory over the favored** Bulldogs. Team captain Gene McDowell pulled a small piece of grass from the field, which was presented to Moore at the next football practice. Moore and FSU coach Bill Peterson had the sod buried on the practice field as a symbol of victory. A monument was placed to commemorate the triumph and the tradition of the sod game was born.

ON THE ROAD: UNDERDOG, UF, ACC TITLE, BOWLS

Before leaving for all road games in which Florida State is the underdog, all road games at the University of Florida and all ACC championship and bowl games, Seminole captains gather their teammates to explain the significance of the tradition. **Victorious captains return with a piece of the opponent's turf to be buried in the Sod Cemetery** inside the gates of the practice field.

Away from home and against the odds, Florida State sod games represent the most difficult battles on the football field. The Sod Cemetery stands as a tribute to those triumphs, to be enjoyed by the Seminole faithful.

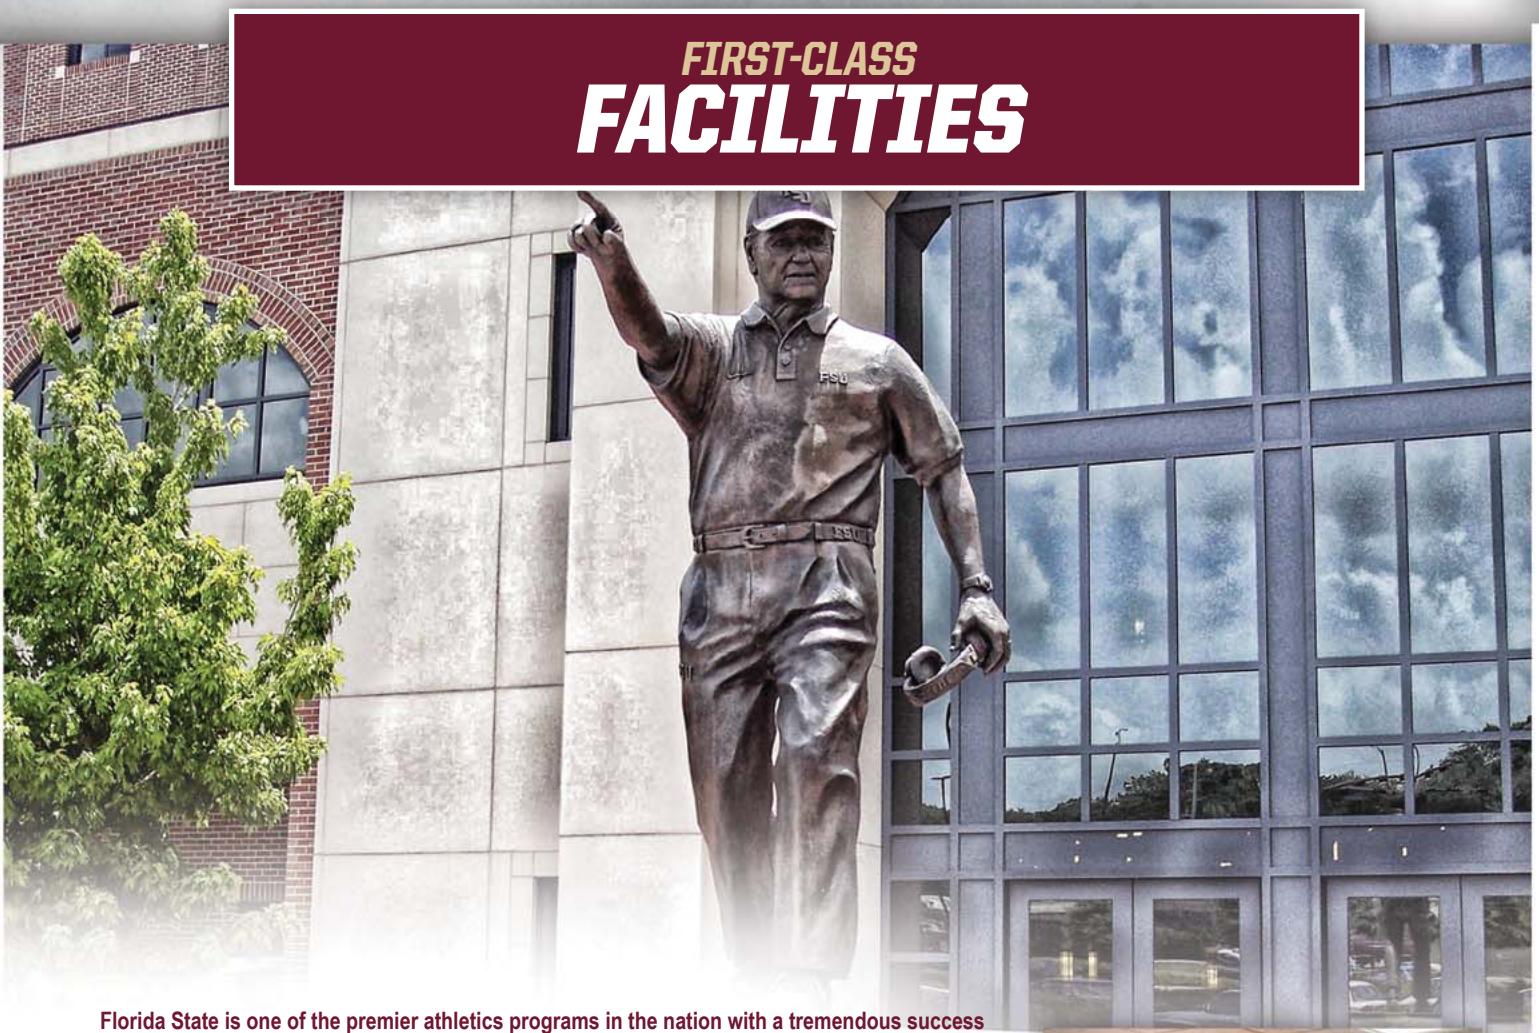
FIRST-CLASS FACILITIES



Florida State is one of the premier athletics programs in the nation with a tremendous success rate widespread amongst all of its 20 sports. In 2017-18 the Seminoles earned a top-10 finish in the Learfield Directors' Cup, which measures success across all sports on campus. In addition to football extending its bowl streak to an NCAA-record 36 seasons, softball claimed the program's first NCAA championship, beach volleyball advanced to the national championship match and women's tennis and men's basketball reached the Elite Eight.

What makes Seminoles athletics one of the best in the country are the elite facilities afforded to student-athletes. From the best training facilities in great weather to the spacious venues, Florida State attracts not only the best of the best in the country but from around the world.

In continuing to keep Florida State's football program among the elite, exciting upgrades from the locker room, to coaches' offices and meeting rooms, as well as a brand new, state-of-the-art player's lounge have been completed over the past year.

THE MOORE ATHLETICS CENTER

The main hub for Seminole football and the Florida State Department of Athletics is the Moore Athletics Center, which is adjacent to Doak S. Campbell Stadium – and in the north endzone.

The four-story state-of-the-art building includes the football locker room, weight room, athletic training and rehab facility, tutorial and study hall space, computer labs for student-athletes, multi-purpose theatre for team meetings, press conferences and symposiums, classrooms and a dining facility with a full service kitchen and a mailroom. It's also the perfect hub of life for FSU's 400-plus student-athletes.

It's also home to the athletics administration and support staff housing the executive staff, business office, computer information services, coaches' video, Seminole Productions, college of communication faculty offices and student edit rooms, academic support, student services, compliance, sports information, digital media, marketing and promotions, facilities and event management. Designated spaces are available for athletic-training curriculum and a studio provided for the College of Communication students to gain hands on experience producing work for Seminole athletics.

The main level showcases Florida State's talented student-athletes with wall-to-wall vibrant memories of historic Seminole seasons and athletic achievements, including the 1993, 1999 and 2013 football national championships as well as FSU's three Heisman Trophy winners.

FIRST-CLASS FACILITIES

PLAYER'S LOUNGE

Florida State football's one-of-a-kind 6,000-square foot players lounge debuted in January 2016 to rave reviews.

A PLACE FOR FUN, A PLACE TO CHILL

The Seminoles' players lounge features three 75-inch TVs, seven arcade games and one very large 50-yard line marker on the ceiling. There are multiple living-room style seating areas, a fully stocked refrigerator, a Seminole-themed pool table and a ping pong table. There's multiple Pop-A-Shot basketball games and a football toss game.

In addition to room-wide surround sound, cell-phone charging stations and a nutrition counter, there are Garnet and Gold flourishes found in nearly every inch of the lounge.

Foosball and pool tables feature emblazoned FSU logos and wordmarks, and arcade basketball games are adorned with photos of Osceola and Renegade.

And oversized versions of the Seminole head logo and spear, complete with crisp backlights, hang from the walls.

AT HOME AT THE MOVIES

The centerpiece of the lounge is a movie theater – complete with a snack bar, 12 FSU-branded leather recliners and a 10-foot screen – where players can watch TV and movies or even gather for late-night film sessions.

The facility was fashioned out of the space that had been used for FSU's turf room on the second floor of the Moore Athletics Center. Before FSU's indoor practice facility opened in 2013, the Seminoles would hold makeshift practices inside the turf room during bad weather. But the IPF made the turf room redundant, so FSU sought a better use for the space.

THE NEW MANNY GARCIA LOCKER ROOM

The Manny Garcia Locker Room underwent renovations prior to the 2014 season, upgrading the facility into without-a-doubt one of the nation's best. The unique semi-circle shape remains intact and features 120 new solid wood lockers created by combining design concepts of the ones used by the NFL's Dallas Cowboys and MLB's New York Yankees.

Each locker has a large stainless steel compartment in the bottom base for players to store clothing, shoes, bags and other personal belongings; a personal lock box, a universal mobile device charger, a built-in ventilation system flushing out old air and bringing in new air to dry out clothing and equipment. One of the main features of each locker is an iPad where individual and team messages can be left and displayed on for players from coaches and other football staff, practice or game film can be viewed on and class schedules can be viewed.

The remembrance of FSU's sealed lockers is kept in place with the focal point in the locker room which are statues of all the former 'Noles with retired jersey numbers and honored jerseys. The jerseys on the statues will stay lit the whole time and honor Fred Biletnikoff, Ron Sellers, Ron Simmons, Deion Sanders, Charlie Ward, Derrick Brooks, Warrick Dunn, Chris Weinke, Terrell Buckley and Marvin Jones.

By the number always being lit, it lends proof to the belief behind the fact that current players are sharing a locker room with all the great players who have played at Florida State.

The lounge serves as a relaxing lobby with large flat screen televisions, gaming consoles, comfortable seating and lounging chairs as well as a fruit and snack bar, Muscle Milk and Powerade dispensers. A Nike Display wall has full-size mannequins decked out in FSU uniforms as well as an interactive touch screen display to view Florida State's Nike football gear and uniforms.

COACHES' SUITE

An updated coaches' suite located on the third floor of the Moore Athletics Center serves not only as a home away from home for the national championship winning football staff but houses a tribute to the history of FSU football.

UNCONQUERED HALLWAY

The Unconquered Hallway is the permanent home for the trophies of the three national championships won in 1993, 1999 and 2013 as well as the 15 Atlantic Coast Conference Championships, three Heisman winners and individual national award winners. An interactive display for all the national award winners also is housed in the space.

COACHES' LOBBY

The lobby right outside each position coaches' office has a case which holds every bowl and national championship ring won at FSU, while a timeline of the history of FSU football adorns the walls.

THE PATH TO THE NFL HALLWAY

The hallway right outside the office is maintained to feature the jerseys of every former 'Nole playing in the NFL on a 53-man roster each season. The Interactive NFL Display has a wall featuring the history of Seminoles who played in the NFL.

ALBERT J. DUNLAP ATHLETIC TRAINING FACILITY

Florida State unveiled its brand-new indoor practice facility in 2013, which allows the Seminoles to practice year-round in state-of-the-art championship facilities without disruptions from inclement weather conditions. The nearly $15-million, 92,000-square-foot facility features a 120-yard artificial turf field with a 2,000-square-foot training room, rehab area and storage space. The facility is climate controlled and includes platforms that allow for multiple video angles to be shot during practices. The field resembles Bobby Bowden Field inside Doak Campbell Stadium and includes garnet end zones.

In 2015, the facility was nominated for the American Institute of Architects Florida People's Choice competition.

FSU's two full-size natural turf fields (the Al Dunlap Football Practice Fields) outside of the facility also were updated and feature a new tower between fields for video and viewing purposes. The entire project was funded by donations, including the $5 million lead gift by Al and Judy Dunlap. Al and Judy Dunlap's lifetime giving to Florida State University exceeds $20 million.

STRENGTH
& CONDITIONING

THE ROGER HOLLER CHAMPIONS TRAINING COMPLEX

The Florida State Seminoles train out of the Seminole Strength and Speed Complex. The state of the art facility includes a 14,700-square foot weight room, 5,000 additional square feet of complex training area, 24 self-contained powerlift work stations, a cutting edge video/audio system and over 80 pieces of customized free weight and selectorized machines. The staff continues to remain on the cutting edge of technology and recently installed several iPads into the weight area for athletes to conveniently access training regimens.

Certified Strength and Conditioning Coaches operate the Seminole Strength and Speed Complex. The coaches design individualized programs that include a regiment of strength training, power development, linear and lateral speed enhancement, mobility and endurance. Before a program is designed all student-athletes are put through a battery of tests to identify strengths and weaknesses.

Once testing is completed a computer-generated program is assigned to the student-athlete. A coach will guide the student-athlete through the program daily and progress will be monitored on a weekly basis by the strength and conditioning staff. Continuous supervision of the athletes will ensure a successful physical transformation into a collegiate athlete.

GPS TECHNOLOGY

Florida State football was a forerunner in GPS technology, allowing the Seminoles to effectively eliminate soft tissue injuries. FSU's reliance on GPS technology has played an integral part in the Seminoles' success over the years.

SPORTS MEDICINE

The Don Fauls Athletic Training Facility was completed in 2004 and serves as the centerpiece for the daily healthcare needs of Seminole football student-athletes as well as the student-athletes for all 20 of FSU's intercollegiate teams. This 15,000 square foot facility provides FSU student-athletes with access to virtually any needed avenue of health care through the many amenities in place in the facility, as well as through the network of team and supporting physicians. Seminole football student-athletes come here to receive care for any and all types of health-related issues.

SPORTS NUTRITION

MISSION STATEMENT

Believing nutrition is an important foundation for both academic and athletic pursuits, FSU Sports Nutrition's goal is to provide education, tools, and quality fuel in order to support the health and performance of all Seminole student-athletes.

BUILDING A FIRM FOUNDATION

Nutrition is the foundation for all the work that athletes do. It can be what determines whether they can handle the workload their coaches ask of them, how well they recover, and how durable they are. Teaching athletes how to support their training and goals with proper nutrition is key to getting the most out of themselves and their training sessions.

NUTRITION EDUCATION

Interactions big and small can impact an athlete's understanding of nutrition and their body's needs. Whether it is a short talk or an in depth counseling session, athletes will be given personal and individualized attention by our staff.

FUELING FOR FUNCTION

Providing the proper food to our athletes is where our mission statement meets reality. Athletes are on the go for much of the day with high demands on their bodies. It is our goal as a staff to assure that athletes have a variety of quality choices to support them both pre and post workout whether at home or on the road to ensure optimal performance and recovery.

"THE MISSING LINK"

Nutrition can often times be the "missing link" for athletes in their training. Proper nutrition can help prevent injury, enhance the benefits of strength training programs and aid in the recovery process. Adequate fueling can turn an elite athlete into a champion.

NUTRITION EDUCATION

Every interaction is an opportunity to educate the student-athletes on how to properly fuel themselves. We provide team talks, cooking classes, handouts and one-on-one counseling to provide strategies to prepare student-athletes not only for athletic success, but to educate them for life after football.

FUELING THE ATHLETE

The sports nutrition staff offers a variety of different options for student-athletes to properly fuel themselves for their performance. We provide pre/post workout nutrition tailored to the needs of each student-athlete. The sports nutrition staff also provides nutrition around competition, on the road traveling and meal planning.

VISION

As Florida State University leads and embraces the future — entering new markets, connecting with new students, faculty and staff, and expanding its presence —it is essential that the Florida State Athletics brand grows with the university. The objective of this exercise is to make sure that the brand is consistent across all applications and captures new audiences in an authentic and meaningful way. The Seminole Tribe of Florida was consulted through the brand development process and approved all modifications of these beloved symbols.

THE FLORIDA STATE UNIVERSITY ATHLETICS BRAND

What are the elements that make up our Brand Identity? The words you choose. The type you use. The colors, graphics, and imagery you display. A unique and iconic primary logo. The way you position and apply the primary logo. These are the key building blocks that help tell the Florida State story and shape people's perception of Florida State University.

Perfection is in the details. Underlying all Florida State brand expressions is a detailed, well-ordered system of visual assets. This unified system defines the Florida State experience.

EVOLUTION NOT REVOLUTION

At first glance, the new Florida State Brand Identity System may look revolutionary. It's bold and intriguing. It's designed to serve as an evolution of an already iconic identity and position the brand for the future.

BRAND ATTRIBUTES

Brand Attributes are a set of characteristics that represent the essence of the Florida State brand. These attributes identify personality traits and serve as a filter for all of the components of the identity system. When you experience the Florida State brand, we want you to be reminded of:

RESPECT | INTEGRITY | STRENGTH | PRIDE
CHARACTER | FIGHT | PASSION | LEADERSHIP
FAMILY | TRADITION

PRIMARY IDENTITY– THE SEMINOLE LOGO

The Seminole logo is indisputably iconic and unique to Florida State Athletics. It signals a consistent foundation—honoring the brand equity that has been built across decades of competition while creating distinction and reinforcing the brand for the next generation. The mark is strong, youthful and bold paying off the true attributes of a Seminole Warrior. It purposefully incorporates the Florida State color palette, and with the head held high it expresses our position with purpose and conviction.

The Seminole logo is the primary representation of the brand and is used as the main identifying device for athletics. Reinforcement of the primary identity will build equity in Florida State Athletics. In primary or secondary colors, the Seminole logo works well across all media. With a flexible approach to palettes and logo staging, the Seminole logo now comes alive with renewed spark and energy.

FSU LOGO

The FSU Logo is a stylistic ligature. At the origin of typographical ligatures is the simple running together of letters in manuscripts. In writing and typography, a typographic ligature occurs where two or more letters are joined as a single glyph.

The FSU Logo was created from the custom unconquered alphabet. It works closely in support of the primary identity to represent Seminole Athletics. This type-based mark gives the identity flexibility while staying consistent with the main look and feel.

SEMINOLE SPEAR

Perhaps the most spectacular tradition in all of college football occurs in Doak Campbell Stadium when a student portraying the famous Seminole leader, Osceola, charges down the field riding an Appaloosa horse named Renegade and plants a flaming spear at midfield to begin every home game. Together, Osceola and Renegade highlight a pre-game ritual, considered to be one of the most popular in the nation.

Florida State's trademark helmet with the Seminole spear is well known throughout all of college football. This design was first introduced during Bobby Bowden's first year as head coach in 1976. Prior to that season, FSU had used a variety of different helmets ranging from gold with a garnet FSU, solid gold with garnet and white striping, an image of the state of Florida with STATE running down it, and various others. The refined spear now reflects the same visual language as the other elements of the identity system.

SEMINOLE PATTERN

In the early 1900s, a new decorative technique was developed by Seminole women, now commonly known as patchwork. Early patterns included blocks and bars of alternating color with occasional sawtooth designs that were sewn directly into garments. Patchwork was rapidly adopted as a standard means of embellishing the Seminoles' traditionally vibrant clothing. These authentic and meaningful patterns live on through today's Seminole natives, and are now an official element of the performance apparel palette for Florida State Athletics.

FSU and Nike were determined to incorporate meaningful symbolism into their uniforms and designers included Seminole lore in each element. The Seminole symbols for Fire, Arrow and Man on Horse (top to bottom, repeating) were the inspiration for this unique pattern.

HISTORY OF FSU FOOTBALL

1993 - FSU at Notre Dame
Billed as Game of the Century

1977 - FSU at Florida
FSU breaks losing streak to Florida

1851

Florida State University actually began in 1851 when a legislative act established the Seminary West of the Suwannee. The first students enrolled in 1857 and the Florida State College was co-educational until 1905 when the Buckman Bill sent all the female students to the "new" Florida State College for Women. The huge numbers of male college students wishing to enter school on the G.I. Bill after World War II forced the legislature to make FSU co-educational in 1946.

1902-04

Thirty-three years after Princeton and Rutgers kicked off American college football, the Florida State College played three seasons of football in Tallahassee. **From 1902-1904, FSC played wearing the colors purple and gold**. The 1904 squad was crowned state champions after defeating the University of Florida at Lake City and Stetson.

1946

Florida State University became a co-educational institution in 1946 when the first male students were enrolled, most of whom were coming back from World War II. The transition from FSCW, which was regarded as one of the nation's top colleges, to the new institution was remarkably quick and the development of an athletics program was almost as rapid.

1947

Florida State University fielded a football team in 1947 coached by Ed Williamson. On October 18, 1947, Stetson kicked off to the FSU three yard line. Don Grant returned the kickoff to the FSU 32 and 7,165 fans at Centennial Field celebrated the first football game. The team finished 0-5 on the season.

1948

Don Veller became FSU's second football coach in 1948 and would coach the team until 1952. An outstanding player at Indiana University, Veller inherited 20 lettermen from the first year, but only 12 would letter in 1948. Veller would lose just two games over his first three years, including an undefeated 8-0 campaign in 1950.

1950

Florida State played its first football game in Doak S. Campbell Stadium on Oct. 7, 1950 against Randolph Macon. 9,676 fans watched the Seminoles win 40-7, but the new home field was a story in itself. It was built on a former cow pasture and was completed in just five months. Tallahassean Rainey Cawthon was instrumental in selling over 1,000 season tickets at $50.00 each to fund the stadium and won a wheelbarrow ride down Monroe Street from contractor Red Coleman, who missed the completion date by two days. FSU players painted the stadium over the next summer for $1 per hour.

1953

Tom Nugent became FSU's third head coach in 1953 and would coach the Seminoles until leaving to become Maryland's head coach in 1958. An innovator on a national level, Nugent **developed the I-formation and the typewriter huddle**. Among the players he coached were FSU greats Bobby Renn and Lee Corso as well as a talented tailback named Burt Reynolds whose career was cut short by injury.

1960-70

Florida State's **arrival on the national map** occurred during Bill Peterson's 11 seasons as head coach. He came in 1960 when free substitution was still five years away in the game. He moved FSU boldly into the forefront of the passing game and led the Tribe to its biggest win yet when they topped No. 5 Kentucky 48-6 in 1964. He would post a 62-42-11 record in Tallahassee. Among a host of other things, Peterson developed the concept of the "hot receiver" in 1964 that remains in most offenses today.

1964

Fred Biletnikoff became FSU's first consensus All-American as a senior in 1964. He ranked fourth nationally with 57 receptions for 11 touchdowns which did not include his four touchdowns in the Gator Bowl win over Oklahoma. Biletnikoff put FSU on the map and he was married under the goalposts at Doak Campbell in 1965. He would go on to have a Hall of Fame career with the Oakland Raiders. The national award given to the top college receiver in the country is named after him.

1966

Ron Sellers began a career at Florida State that would prove one of the **most prolific in college history**. He gained an unheard of 3,979 yards over his career. His statistics were so impressive that most lasted as national records all the way until 1987. He caught passes in 30 consecutive games and averaged 119.9 yards per game. He is a member of the College Football Hall of Fame.

1970

While integration of schools throughout the country came painfully slow, **Florida State's first African-American player took the field in 1970**. J.T. Thomas was a starter from the first game he played at FSU and he backed a sterling college career with three Super Bowl rings earned as a member of the Pittsburgh Steelers.

1971

Larry Jones coached the Seminoles from 1971-1973. An 0-11 campaign in his last year spelled the end for the coach. Among notable players during his era were outstanding wide receiver Barry Smith, quarterback Gary Huff and Alabama transfer **Billy** Sexton.

1974-75

Darryl Mudra coached the Seminoles for two seasons and did his work from the pressbox on game day. Perhaps the biggest accomplishment of Mudra's brief tenure, that included the **NCAA mandated scholarship limits for the first time**, was the signing of an unheralded running back named Larry Key. Key would prove to be one of the finest running backs in Seminole history.

1976

FSU president Stanley Marshall and athletic director John Bridgers set up a dinner meeting at an airport hotel in Tampa where West Virginia head coach **Bobby Bowden** was coaching an all-star game known as the American Bowl. They offered him a four-year contract worth $37,500 and he became the Seminoles' eighth head coach on Jan. 12. Bowden was interviewed for the job six years earlier when it went to Larry Jones, but FSU officials felt he lacked the experience.

1977

Florida State ended a nine year drought versus the Florida Gators in convincing style with a 37-9 victory before 63,563 fans in Gainesville. The victory capped a brilliant regular season for the Garnet and Gold. It was the ninth victory in 11 games, the first time in Seminole history the school had recorded nine wins during the regular season. And, the win also returned FSU football to respectability throughout the south since head coach Bobby Bowden had said more than once that the program "would not be turned around until we beat Florida." Thus the victory - only the third in the 20 year series for the Seminoles - was more important than any other win in recent memory for Seminole coaches and boosters.

1979-80

Florida State got its first taste of the real big-time in 1979 and 1980 going to **back-to-back Orange Bowls** against Oklahoma. FSU went undefeated (11-0) over the regular season in 1979, but lost 24-7 to the Sooners and finished sixth in the final AP poll. FSU took a 10-1 record into the Orange Bowl showdown the next year before losing a heartbreaker 18-17.

DID YOU KNOW?

Scholarships In '51

It was not until 1951 that Florida State began to grant athletic scholarships and the move put added pressure on the program to win. FSU left the Dixie Conference and petitioned for membership in the Atlantic Coast Conference and the Southeastern Conference but were rebuffed. Interestingly, it was the University of Florida that sponsored FSU for admission to the SEC.

Seminoles First To Score Two

The late Vic Prinzi, who is a member of the Florida State Hall of Fame and was the color commentator for the radio network until his death in 1997, was **the first college player ever to score a two-point conversion**. On Sept. 13, 1958, the Seminoles took the season-opening drive of the Tennessee Tech game in for a touchdown and Prinzi, playing quarterback, ran in the two-point conversion to beat the other national games by just minutes.

Football Since 1902 Actually

Florida State College actually **played football during the 1902-1904 school years** and played it well. The first game in 1902 was a 5-0 win over South Georgia Military on Nov. 21 when touchdowns were worth five points. The NCAA nor the governing body at the time recognizes the early games for FSC, although the school won the state championship in 1904. The 1904 season included a 23-0 win over Florida in Lake City, Fla. The school then became the Florida State College for Women and would remain one of the nation's top all-female institutions until the large number of returning veterans from World War II triggered the state system to open Florida State University to men in 1946. The school resumed football in 1947, taking on Stetson in its first game.

1980
If one game can be singled out as the most important in the run of unprecedented success at Florida State, it would be **the contest at Nebraska on Sept. 7, 1980**. FSU won in Lincoln, 18-14, opening the eyes of the entire country. Nebraska fans shook off a mixture of shock and confusion to stand and give Bobby Bowden and his Seminoles a standing ovation as they left the field.

1981
FSU takes on the following schools in order **all on the road**: Nebraska, Ohio State, Notre Dame, Pittsburgh and LSU. FSU won at Ohio State, Notre Dame and LSU, but, more importantly, won fans coast to coast for its undaunted spirit.

1981
In 1981 a **freshman tailback named Greg Allen** was given the football in the middle of legendary Death Valley with a sea of LSU fans around him. He finished the day with a remarkable 202 rushing yards that signaled the arrival of a superstar for the Seminoles. Later that year, he would rip Western Carolina for 322 rushing yards, which still stands as the best rushing game ever for a Seminole.

1986
Deion Sanders spent a quiet first two years at Florida State before exploding on the national scene in a preseason press conference. He would become one of the most popular players ever in college football and one of the greatest athletes in FSU history.

1991-92
On July 1, 1991, **the Atlantic Coast Conference accepted Florida State University** as its ninth member and the first addition to the league since Georgia Tech joined in 1978. FSU had competed in the Metro Conference for all sports other than football, which had been an independent. FSU's first ACC football game was a 48-21 win over Duke on Sept. 7, 1992.

1993
The Seminoles won their **first national championship** behind Heisman Trophy winner Charlie Ward in 1993. FSU played Nebraska in the national title game at the Orange Bowl and used freshman Scott Bentley's late field goal to win 18-16.

1995
A 31-26 come-from-behind win in the fourth quarter of the Orange Bowl against Notre Dame was **FSU's 11th consecutive bowl win**. The streak set an NCAA record as was FSU's 14-game unbeaten streak in bowls that was spoiled only by a 17-17 tie with Georgia in the 1984 Citrus Bowl.

1999
Bobby Bowden used to keep an empty picture frame in his office, which was reserved for his **first perfect season**. He filled the frame with a 1999 team photo. The Seminoles finished the year 12-0 and topped off the record run with a 46-29 win over Virginia Tech for the national championship in the Sugar Bowl.

2000
Chris Weinke literally rewrote the FSU record book over his senior season and **took home the second Heisman Trophy for a Seminole player** when he won the award in December of 2000. He would finish his career with a record of 32-3 as a starter.

2002
Bobby Bowden passed Bear Bryant and moved into second place on the all-time coaching wins list.

2003
Bobby Bowden defeats Wake Forest to become **all-time winningest major college coach**. The Seminoles won the ACC and earned the BCS bid.

2004
Bobby Bowden Field at Doak S. Campbell Stadium was dedicated on Nov. 20, 2004 prior to the Florida game.

2005
Florida State wins the **inaugural ACC Championship** game by a score of 27-22 over Virginia Tech in Jacksonville. Willie Reid was named the game's MVP. The conference title was FSU's 12th since joining the league in 1992.

2006
The **College Football Hall of Fame** announced that Bobby Bowden and Charlie Ward would be two of the year's 15 inductees. Bowden and Joe Paterno, who was also inducted, were the first two active coaches to be honored.

2007
Head Coach Bobby Bowden won his **300th career game** at FSU with a 24-16 victory over Maryland.

2008
The College Football Hall of Fame announced that Ron Simmons would be one of 15 inductees. **The Rhodes Trust named junior Myron Rolle one of 32 U.S. Rhodes Scholars for 2009** - the first time in nearly 25 years it has awarded the scholarship to a prominent college football player. THE BOWDEN ERA

A LEGACY LEFT

Bobby Bowden's legacy left Florida State with two national championships (1993 & 1999), 12 ACC Championships, 31 bowl appearances, 33 consecutive winning seasons, two Heisman Trophy winners, 34 first round NFL Draft Picks, 107 NFL draftees from 1992-2009, and 118 ACC Wins.

1976
Although FSU had considered dropping football due to a 4-29 record over the previous four seasons, Bobby Bowden is hired as head coach and records his only losing season at FSU with a 5-6 mark.

1977
In one season, Bowden turns the program around with a 10-2 record, FSU's first-ever 10-win season. Under Bowden's direction, FSU won its first bowl game since 1964 with a 40-17 drumming of Texas Tech in the 1977 Tangerine Bowl.

1978
Bowden and Florida State received the program's first preseason national ranking at No. 17. He led the Seminoles to a second straight win over Florida, marking the first time in history FSU had recorded two straight wins over the Gators.

1979
Bowden led FSU to the Orange Bowl in its first ever New Year's Day bowl. Bowden recorded FSU's first ever unbeaten regular season and the highest AP ranking at No. 4 entering the postseason and coached FSU to a school-record 11 wins.

1980
Bowden's 1980 team was the first in program history to finish in the AP Top 5. When it's looked at how FSU became a national power, the 18-14 win at Nebraska always comes to mind as a landmark victory. He was named National Coach of the Year (Bobby Dodd).

1981
Bowden and Florida State gained notoriety with a schedule that lined FSU up in successive weeks on the road against Nebraska, Ohio State, Notre Dame, Pitt and LSU. The Seminoles went 3-2 in that stretch while Florida State's overall schedule was nicknamed "Murderer's Row" and "Octoberfest."

1982
For the second straight year, Bowden and the Seminoles faced the nation's toughest schedule according to the NCAA. Bowden reached into his bag of tricks for a 34-17 upset win at Ohio State.

1983
Bowden surpassed former head coach Bill Peterson as the all-time winningest coach at FSU. He was inducted into the Florida Sports Hall of Fame. The "War Chant" saw its birth and FSU sported its "mustard" uniforms for the first and only time.

1984
Greg Allen recorded Florida State's first 1,000 yard rushing season. Bowden continued his creative play calls as Jessie Hester scored on a 77-yard reverse as FSU stunned defending national champion Miami, 38-3, in the Orange Bowl.

1985
Bowden coached FSU to its ninth straight winning season, capped off by a 34-23 Gator Bowl victory over Oklahoma State. Perhaps FSU's biggest victory came in the second game when FSU traveled to No. 10 Nebraska and defeated the Cornhuskers 17-13, a game Bowden would later call "one of the biggest wins in FSU history."

1986
Bowden and FSU recorded a 56-14 pounding of South Carolina in FSU's first-ever appearance on ESPN. Bowden led FSU to a perfect 6-0 record at home and the most points scored in a game by FSU in history with a 76-14 win over Tulsa. He was inducted into the Alabama Sports Hall of Fame.

1987
Bowden missed his first national championship by one point when two Miami defenders knocked down a two-point conversion and FSU fell 26-25. FSU snapped a six-game losing skid to the Gators which marked Bowden's 100th victory at FSU.

1988
Bowden's preseason No. 1 ranked team fell at Miami breaking its streak of 11 opening day victories. The Seminoles would not lose again, winning 11 straight games. Bowden called one of his greatest trick plays, the Puntrooskie, at Clemson. FSU drubbed Florida 52-17 for the Seminoles' largest victory margin over the Gators.

1989
After a loss to Clemson, FSU went on to win 10 straight and earn a Top 3 ranking for the third straight year. FSU played in a third straight New Year's Day bowl with a win over Nebraska in the Fiesta Bowl, extending its bowl unbeaten streak to eight.

1990
Bowden earned his 200th career victory when FSU beat LSU 42-3. The 1990 meeting with Florida marked the first time in the series that both teams were ranked in the Top 10 as No. 8 FSU defeated No. 6 UF 45-30. Bowden and FSU beat Joe Paterno's No. 7 Penn State Nittany Lions 24-17 in the Blockbuster Bowl.

1991
Bowden was named National Coach of the Year (Walter Camp) and led FSU to an 11-2 mark and fifth straight season of 10 or more wins. FSU was preseason No. 1 and stayed there 11 weeks before falling to Miami in Wide Right I. FSU defeated No. 3 Michigan 51-31, the most points ever allowed in the Big House.

THE LEGEND RETURNS

On Oct. 26, 2013, Bowden returned to Doak Campbell Stadium for the first time since his final season in 2009. In what was coined "Bobby Bowden Day," the coaching legend was honored prior to Florida State's game against NC State, which was won 49-17 by the 'Noles. Bowden planted the spear once again and gave a thank you speech to the Garnet and Gold crowd, talking about his memories as FSU's cherished leader.

BOWDEN IN BRONZE

Former head coach Bobby Bowden is bigger than life in front of the Moore Athletics Center at Florida State as a bronze statue of his likeness was unveiled in a ceremony on Sept. 24, 2004. The statue is one-and-a-half life-size of Bowden and was sculpted by Tallahassee artist Stanley Proctor. The artist also created a smaller piece of artwork, measuring just over 12 inches high, featuring Bowden and Doak Campbell Stadium.

1992
Bowden and FSU beat Duke in FSU's first game as a member of the ACC. FSU suffered Wide Right II at Miami and fans saw the birth of the "fast-break offense" in the comeback win at Georgia Tech. Marvin Jones became the first Seminole to capture two national awards. Bowden was named the 1992 Neyland Trophy Winner.

1993
Bowden brought home FSU's first national title with an 18-16 win over Nebraska in the Orange Bowl. Charlie Ward became FSU's first Heisman Trophy winner and won every award he was eligible for. Bowden was named ACC Coach of the Year and led FSU to 12 victories for the first time in school history.

1994
Bowden's squad set an NCAA record with the amazing 28 point fourth quarter comeback against Florida. He led the Seminoles to another ACC Title and Top 4 national ranking. Florida State would play Florida a second time in a game dubbed the Fifth Quarter in the French Quarter, as FSU won 23-17 in the Sugar Bowl.

1995
Florida State's streak of 29 straight ACC wins came to an end with a loss at Virginia. FSU still won the ACC Championship and the victory over Notre Dame in the Orange Bowl preserved its NCAA record 11th straight bowl win. Bowden earned career win No. 250 in his 20th year as Florida State's head coach.

1996
Bowden guided FSU to its second national championship game as FSU celebrated 50 years of Seminole football. Florida State fell in a rematch to Florida in the national championship. Bowden was honored as the 1996 National Coach of the Year (Home Depot). FSU finished the season ranked No. 3.

1997
Bowden and FSU went 11-1 for the second straight season, capped off by a win over Ohio State in the Sugar Bowl. Bowden recorded his 200th victory at FSU. He was named ACC Coach of the Year for the second time. FSU finished No. 3, keeping alive the streak of 11 straight seasons of Top 4 finishes in the AP poll.

1998
Bowden led FSU to its second national championship appearance in three years. FSU won another ACC Championship despite falling at NC State 24-7 in only the second ACC loss for the Seminoles since joining the league. FSU went 11-2 and with a Top 4 ranking (No. 3) and 10 or more wins for a 12th-straight season.

1999
Bowden led FSU to its first undefeated season as FSU became the first team in the history of college football to go wire-to-wire as the AP No. 1 ranked team. Bowden was named National Coach of the Year (Home Depot), a National Coach of the Decade Finalist (Home Depot) and his Seminoles were honored as the ESPN College Team of the Decade (any sport).

2000
FSU played in its third straight national championship game and fourth in five years. The 2000 season was the last of Bowden's streak of 14 straight AP Top 5 finishes and 14 straight seasons of 10 or more wins. The Seminoles finished the season 11-2, 8-0 in the ACC and a No. 5 ranking in the AP final poll.

2001
For the first time since joining the ACC in 1992, Bowden's Seminoles did not win the ACC championship but still went to their 11th straight New Year's Day bowl with an invitation to the Gator Bowl where FSU defeated Virginia Tech. With that win, Bowden tied Bear Bryant for second place on the all-time coaching wins list with 323.

2002
Florida State returned to the top of the ACC and the Seminoles played Georgia in the Sugar Bowl. FSU concluded the season ranked 21st in the final AP poll. During the season, Bowden recorded his 250th victory at Florida State and 325th victory of his career.

2003
Bowden led FSU back to another 10-win season and passed Joe Paterno as the all-time winningest major college football coach. 2005
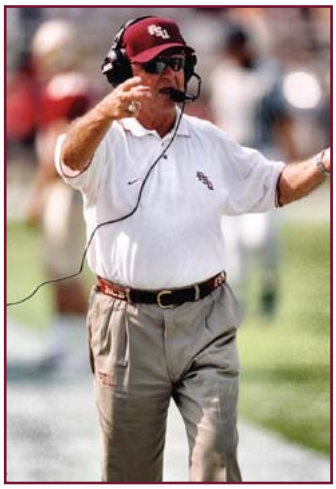
Bowden guided FSU to another ACC title in the inaugural ACC Championship game with a 27-22 win over Virginia Tech in Jacksonville which propelled FSU into the FedEx Orange Bowl against Penn State. The game was Bowden's 24th consecutive bowl, as he coached against Joe Paterno in an epic triple OT game.

2006
Bowden was inducted into the College Football Hall of Fame. The Seminoles made their longest road trip in school history, venturing 2,600 miles to San Francisco for the Emerald Bowl where they beat UCLA. The game marked FSU's 25th straight bowl appearance and the win extended Bowden's winning-season streak to 30.



2007
Bowden earned his 31st consecutive winning season with a 7-6 record and made a Music City Bowl appearance. Bowden reached another milestone in his decorated career when he earned his 300th win at Florida State in a 24-16 victory over Maryland.

2008
Bowden coached his 'Noles to a 9-3 record, No. 21 national ranking and a tie for 1st in the ACC Atlantic Division. FSU concluded the season with a win over Wisconsin in the Champs Sports Bowl and touted the nation's longest bowl streak at 27 straight. In FSU's win over Colorado in Jacksonville, Bowden recorded his 500th game as a head coach.

2009
On December 1st, Bowden announced that the bowl game would be his last as head coach of Florida State. He was carried off the field in his final game as his Seminoles defeated West Virginia, the school he coached prior to coming to FSU, in the Gator Bowl.

FSU FOOTBALL TRADITION

FSU Fight Song

While the "War Chant" has become familiar at FSU games, the **Florida State fight song still remains the definitive sound of Seminole sports**. FSU's band became the Marching Chiefs in 1950 and with that came the fight song. Tommy Wright, a member of the faculty in the School of Music, was perturbed that the Seminoles had been using "On Wisconsin" and the "Notre Dame Victory March" so he introduced the song in the Sewanee game, setting to music a poem by FSU Alumni Doug Alley.

History of the Garnet and Gold

Florida State's school colors of garnet and gold date back to the Florida State College championship football teams of 1904 and 1905. In those championship seasons, FSC donned purple and gold uniforms. When Florida State College became Florida Female College in 1905, the football team was forced to attend the University of Florida. The following year the FFC student body selected crimson as the official school color of 1905. The administration in 1905 took crimson and combined it with the recognizable purple of the championship football teams to achieve the color garnet. The now-famous garnet and gold colors were first used on an FSU uniform in a 14-6 loss to Stetson on Oct. 18, 1947.

War Chant

Florida State's "war chant" appears to have **begun with a random occurrence** that took place during a 1984 game against Auburn. In the 1960s, the Marching Chiefs would chant the melody of a popular FSU cheer. In a sense, that chant was the long version of FSU's current "war chant." During a thrilling game with Auburn in 1984, the Marching Chiefs began to perform the dormant melody. Some students behind the band joined in and continued the "war chant" portion after the band had ceased. Most agree the chant came from the fraternity section, but many spirited Seminole fans added the hand motion to symbolize the brandishing of a tomahawk. The chant continued among the student body during the 1985 season, and by the 1986 season, it was a stadium-wide phenomenon. Of course, the Marching Chiefs refined the chant, plus put their own special brand of accompaniment to the "war chant," for the sound we hear today. Atlanta Braves fans took up their version of the song and chant when former FSU star Deion Sanders came to the plate as an outfielder. The Kansas City Chiefs first heard it when the Northwest Missouri State band, directed by 1969 FSU graduate Al Sergel, performed the chant while the players were warming up for a game against San Diego.

Goal Posts Salute Peterson

The Bill Peterson era as head football coach at FSU was a time of **great offensive innovation** and of many firsts for the upstart Seminole program, including the first Seminole coach to beat the Gators at Florida Field, coaching the program's first All-American in Fred Biletnikoff and recruiting James Thomas, the first African American player to ever play football at FSU. A tradition of the Peterson era was to enter the field through the goal posts. As a tribute to the players and coaches of the Peterson era and their many firsts, "H" style goal posts were added to the field at Doak Campbell Stadium prior to the 2002 season and will forever be referred to as "Pete's Posts."

Tomahawks Can Be Won and Lost

Florida State's coaching staff and academic staff **award tomahawks** to individual players for great plays or contributions on the field and in the classroom. Players may get a tomahawk for a crucial play, a touchdown, a saving tackle or various other achievements on the field. In 1997 the Seminoles began receiving tomahawks for outstanding academic achievements as well. They look identical except the word academics runs down the handle of the tomahawk. What many fans do not know is that Florida State players can actually lose tomahawks as well. Poor performance on the field or in the classroom can cause a player to be stripped of the coveted decals.

SPECIAL LANDMARKS

"Unconquered"

Dedicated on Oct.10, 2003, Fritz White's **bronze statue "Unconquered"** was designed to capture the indomitable spirit of the Seminole people and those who have adopted that spirit as a symbol for their university. The massive structure, including its granite-covered pedestal base, stands approximately 31 feet in the air and depicts a spear-brandishing Seminole astride a rearing horse. At sunset the night before each home game, the spear is ignited and burns until sunrise on the next morning after the game. George Langford's endowment of the project for up to $1 million helped make the statue a reality.

Fifty-one artists were then considered before White eventually saw the statue dedicated 10 years after the concept was inspired by attorney and FSU graduate Stephen Reilly's trip to South Bend, Ind. for an FSU football game.

Sportsmanship Statue

Between Gates B and C of Doak Campbell Stadium stands the one ton, **15-foot tall Sportsmanship Statue** given in honor of Pappy Strum by his daughter Margaret Strum Allesee, who is an FSU graduate and former Seminole cheerleader. The enduring symbol of the most important aspect of athletic competition was sculpted by FSU alumnus and accomplished artist Edward Jonas.

Three Different Helmets to One

For one season in 1962 the Florida State Seminoles **took the field with three different helmets**. Coach Bill Peterson's three-team system featured the two-way Chiefs, the defensive Renegades and the offensive Warriors with each group wearing a different helmet. By 1963 the Seminoles were back to just one helmet, an all-gold version which once again lasted just one season as the word "State" was added in 1964.

STAN WILCOX

Vice President/ Director of Intercollegiate Athletics

Stan Wilcox was named FSU's 11th full-time Director of Athletics in August of 2013 and promoted to Vice President in July of 2016. In his five years on the job the Seminoles won the school's third football National Championship in 2013, the University's first-ever soccer National Championship in 2014 and the school's first-ever NCAA title in softball this past spring. Also, the athletic department has recorded four top 15 finishes in the Learfield Sports Athletic Director's Cup, including a top 10 finish this past year despite fielding fewer sports than almost any other school in the top 25 of the standings.

Wilcox has been at the helm during a span that is one of the most successful in the history of Seminole athletics. FSU has claimed 17 ACC Coach of the Year honors in the last four years and won 24 conference titles. During Wilcox's tenure there have been 30 ACC Player of the Year honors awarded to Seminoles and FSU student-athletes have received more than 200 All-America first-team honors. Add to that a Heisman Trophy winner and 17 CoSIDA Academic All-Americans. In 2017-18 one of Wilcox's major goals was achieved as the student-athlete population posted a cumulative 3.0 GPA for the year. The arc of the program under his direction is apparent with unprecedented success in the classroom combined with a top 10 overall athletic program.

Facilities upgrades have also been a major focus since Wilcox arrived in Tallahassee. During his tenure the Tucker Center, home to FSU's men's and women's basketball programs, has been completely transformed with new seating, state-of-the-art scoreboards and numerous infrastructure improvements. The arena underwent another $10 million worth of renovations, which included new locker rooms, player lounges, training rooms and auxiliary areas.

In just the past few years, the Seminole football offices, locker rooms, common areas, meeting rooms, coaches' locker rooms and players' lounge areas have all been significantly renovated or newly constructed, the Champions Club was built in the south endzone and new scoreboards and ribbon boards were added transforming the fan experience inside Doak Campbell. Locker room renovations for soccer, softball and beach volleyball have also been completed and the Don Veller Seminole Golf Course, with a redesign by Jack Nicklaus II, will begin renovations this fall.

The Wilcox Family

Wilcox came to Florida State from Duke where he served as Senior Deputy Director of Athletics from 2008-2013. During his time at Duke, Wilcox's duties included managing the day-to-day operation of the department and oversight of the football program. Other oversight responsibilities included Human Resources, Contracts, Legal Affairs, Athletics Training, Strength and Conditioning, Equipment, Campus Recreation, Physical Education, Marketing and Promotions, Ticketing, Digital Media, Sports Information and Video Operations. In addition, Wilcox was responsible for coordinating football scheduling.

Before arriving at Duke, Wilcox, a former basketball letterman at Notre Dame, spent three years as the deputy director of athletics at his alma mater. Prior to returning to South Bend in 2005, he served 11 years as an associate commissioner of the BIG EAST Conference.

While working at the BIG EAST Conference, Wilcox was the league's representative to the NCAA Management Council from 2000-05 and served on the Management Council subcommittees on incentives and disincentives, governance, nominations and the task force to review the NCAA's one-time transfer exception rule. His national compliance responsibilities extended to the NCAA recruiting task force and the basketball issues committee. His internal BIG EAST Conference duties included handling the league's NCAA governance, legislative, enforcement, compliance services and legal issues. In recognition of his outstanding service, he was awarded the 2001-02 National Association of Athletics Compliance Coordinators Outstanding Achievement Award.

ACADEMIC SERVICES

Mission Statement

The mission of Student-Athlete Academic Services (SAAS) at Florida State University is to help student-athletes strive for excellence in all aspects of life. This is accomplished by creating an environment that supports academic, athletic and personal achievement, utilizing highly qualified and dedicated support staff and administrative personnel. A combined effort helps individuals become better students, athletes, and citizens, and prepares student-athletes to make transitions to the next level of participation academically and athletically.

More specifically, the drive toward excellence focuses on the advancement of learning, developing leadership skills, and fostering the personal growth of the student-athlete, while offering a high quality athletics program. SAAS personnel provide programs that develop meaningful standards of scholarship, leadership, integrity and self-responsibility. This focus extends to all phases of academic and professional development, culminating with graduation and job placement or graduate school.

Academic Advising

The advisors in SAAS serve as a portion of the advising unit for all student-athletes. The staff advises students through the liberal studies curriculum, degree prerequisites and major requirements. Advisors work with students in a number of areas related to academic experience at Florida State University, with a primary emphasis in advising and monitoring progress toward the selected degree program, taking into consideration all variables which would enhance or impede each student toward the goal of graduation. By partnering with on-campus major advisors, the SAAS staff provides comprehensive assistance in all areas of university advising.

Additional responsibilities include academic needs assessments as well as referrals for further testing.

Tutoring Program

The Athletics Department at Florida State University provides our student-athletes with one of the finest and most comprehensive tutorial programs in the nation. The tutorial program is a key support service available to all student-athletes.

SAAS hires approximately 80 tutors a year from a variety of academic departments, who provide individualized assistance with course comprehension and study skills. The tutoring program provides student-athletes the opportunity to meet individually with tutors, develop refined study habits, learn various ways of approaching and understanding material, and effective test preparation methods.

Tutorial assistance is a free service available to all student-athletes in any of their coursework and may be obtained by filling out a tutorial request form through GradesFirst or through discussing their needs with their advisor.

Mentoring Program

The SAAS Mentor Program is designed to assist incoming freshmen, transfers, and other select student-athletes with their transition into Florida State University. This developmentally-oriented program creates relationships between the mentors and mentees that foster a well-rounded learning experience in both academics and other aspects of student-athletes' lives.

In these one-on-one meetings, student-athletes work with their assigned mentor in areas of communicating with professors, note taking, study strategies, university policies, time management, and accountability. The overall goal of the Mentor Program is for the student-athlete to move forward from this process so that they are able to proceed throughout the rest of their collegiate career with the appropriate tools to be successful.

STUDENT SERVICES

About Student Services

The Office of Student Services strives to establish a commitment to the total growth and development of each student-athlete. Through the N.O.L.E.S. program (New Opportunities for Leadership, Education and Service), an administrative commitment to academic and athletic excellence, as well as personal development, these efforts are supported with programs and services in personal, career and leadership development.

Personal Development

Fostering the development of personal growth is a fundamental component of the N.O.L.E.S. program. This support program ensures that the student-athletes will be provided with opportunities to focus on personal growth areas such as values clarification, goal setting, fiscal planning, decision-making and personal responsibility. Programming focuses on helping the student-athletes develop a healthy lifestyle while they are at Florida State University and habits that will benefit them throughout their lives.

Career Development

Preparing for life after college is a major focus of the N.O.L.E.S. program. The program is designed to work in cooperation with Florida State's Career Center to acquaint students with the job search process, provide networking opportunities and ultimately assist with job placement. The program places a priority on the development of the total person, with the goal of developing individuals who will have rewarding and productive lifestyles after they leave Florida State University.

Community Service

Serving the community is the focus of the Seminole Spirit program. Student-Athletes are challenged to give service to our community and individuals who are in need. With a clearly defined program of service, student-athletes are given the opportunity to develop a lifelong commitment to volunteerism. Over the years, our commitment to community service has grown by leaps and bounds. The Florida State University Department of Athletics has been recognized by the National Consortium for Academics and Sports for having one of the most successful outreach programs in the nation, impacting the lives of thousands of children annually. During the 2017-2018 academic year, Florida State's student-athletes completed 8,179 hours of service, with the National Champion softball team winning the Athletic Directors Cup for Service for performing 50 hours per student-athlete.

Leadership Development

The Florida State University Department of Athletics is committed to developing programs of excellence that foster leadership development. Currently, the Office of Student Services offers three leadership programs to our student-athletes. The Student-Athlete Advisory Council (SAAC) has been in place at Florida State for over 15 years and is a fantastic group of motivated student-athletes. The SAAC is made up of FSU student-athletes representing every sports team and spirit group. Regularly scheduled meetings occur bi-weekly which gives the student-athletes an opportunity to discuss issues confronting student-athletes, here at Florida State, as well as in the Atlantic Coast Conference (ACC) and across the nation. The SAAC at Florida State has many responsibilities: they take the lead on a variety of events, starting with New Student-Athlete Orientation, the Welcome Back Picnic and the Golden Nole Awards Banquet, where seniors from each team are recognized and student-athletes who have excelled in the area of community service are honored.

In addition to leadership program and opportunities provided to the student-athletes on the SAAC, there are two additional leadership programs that are offered to all male and female student-athletes. WILD (Women in Leadership Development) Women and REAL (Reliable Educated Accountable Leaders) Men provide an opportunity for small groups of male and female student-athletes to further their leadership skills.

THE ACC

The Tradition

Consistency. It is the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 66th year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 154 national championships, including 76 in men's competition, 76 in women's and two in men's and women's fencing. In addition, NCAA individual titles have gone to ACC student-athletes 180 times in men's competition and 137 times in women's action.

The ACC is one of two conferences to have won two football national championships over the past five years. Florida State captured the final BCS National Championship in 2013, while Clemson claimed the College Football Playoff national championship in 2016. The ACC has had a team in the championship game in three of the last five years.

Clemson's championship game victory in 2016 marked the seventh national title by an ACC school since the league's inception in 1953, and the 14th by a current league school.

Miami leads the way with five national titles, followed by Florida State (3), Clemson (2), Pitt (2), Georgia Tech (1) and Syracuse (1).

A year ago, the ACC secured 10 spots in the 2017 postseason bowl lineup – the most of any conference. Over the last two years, the ACC has had a nation's best 21 teams in bowl games. At least six ACC teams have made a bowl game appearance in 17 consecutive seasons.

In 2016, the ACC won nine bowl games, tying the existing NCAA record set in 2005 by the SEC. Prior to 2016, the ACC record for bowl wins in a season was five. In addition, over the past five years the ACC is second among all conferences with 54 bowl appearances, has the second-best record of any conference in BCS, New Year's Six and CFP games, and is tied for the most national championships (Florida State in 2013, Clemson in 2016).

ACC teams posted an NCAA-best 51-17 record (.750) against nonconference opponents in 2016, including a 17-9 mark (.654) against teams from the Power 5 conferences. The 51 wins were the most in league history and surpassed the previous high of 46 attained in 2013 and 2014.

Nine ACC teams finished 2017 with winning records, including six teams with eight or more wins.

In 2017, a pair of ACC schools - Florida State and Virginia Tech – continued the two longest current Division I bowl streaks in the nation. FSU appeared in a bowl game for the 36th-straight year, beating Southern Miss in the Walk-On's Independence Bowl on Dec. 27. Virginia Tech, which has the longest streak recognized by the NCAA, played in its 25th-straight bowl in the Camping World Bowl on Dec. 28.

Thirteen of 14 ACC teams have earned an invitation to a postseason bowl game over the last two seasons. Over the last four years, every ACC team has enjoyed a trip to a bowl game and the league has made 43 postseason appearances.

The ACC has seven of the top 25 active coaches nationally in career victories – all of them with 100 or more – which is by far the most of any conference. The next closest league has four coaches in the top 25. Georgia Tech's Paul Johnson is in fourth place with 182 wins. He is followed by Miami's Mark Richt, who is eighth with 164 wins, Louisville's Bobby Petrino is 17th with 116, Wake Forest's Dave Clawson is tied for 19th with 111, Virginia's Bronco Mendenhall is 21st with 107, Duke's David Cutcliffe is 22nd with 103 and Clemson's Dabo Swinney is 23rd with 101.

The ACC continues to make its mark in the annual NFL Draft as the league had 45 players selected in this year's draft - the second-highest total by any conference, and the third-highest total in league history. That total also makes the ACC one of two leagues in the nation to have had at least 40 draftees in four of the last five years. In all, during that time the ACC has had 203 players drafted, the second-highest total of any league.

NC State led all ACC schools with seven selections, a school record for the draft for the Wolfpack, topping a total of six draftees in 2006. Florida State and Miami each had six draftees, with Virginia Tech having a total of five. Louisville had four players chosen, followed by Boston College, Clemson, North Carolina and Pitt with three each, Virginia and Wake Forest with two apiece and Syracuse with one player drafted.

NC State DE Bradley Chubb was named the winner of the 2017 Bronko Nargurski Trophy, given annually by the FWAA to the nation's defensive player of the year. Chubb became the fourth ACC player in eight years to win the Trophy, joining Da'Quan Bowers of Clemson (2010), Luke Kuechly of Boston College (2011) and Aaron Donald of Pitt (2014). He is also the eighth player from a current ACC school to win the honor.

Louisville quarterback Lamar Jackson finished third in the Heisman Trophy vote behind winning quarterback Baker Mayfield of Oklahoma and running back Bryce Love of Stanford. Jackson became only the second ACC player to be voted in the top three in two different years. Clemson's Deshaun Watson finished third in 2015 and was runner-up to Jackson in 2016.

The Championships

The conference will conduct championship competition in 27 sports during the 2018-19 academic year - 14 for women and 13 for men. The first ACC championship was held in swimming on February 25, 1954.

The 13 sports for men include football, cross country, soccer, basketball, fencing, swimming & diving, indoor and outdoor track & field, wrestling, baseball, tennis, golf and lacrosse.

Women's sports were initiated in 1977 with the first championship meet held in tennis at Wake Forest University. Championships for women are currently conducted in cross country, field hockey, soccer, basketball, fencing, swimming & diving, indoor and outdoor track & field, tennis, golf, lacrosse, softball and rowing, with volleyball deciding its champion by regular-season play.

2017-18 Year in Review

The 2017-18 academic year saw four ACC teams capture four NCAA team titles. In all, the ACC has won 85 national team titles over the last 20 years and has won two or more NCAA titles in 35 of the past 37 years.

Academically, the member institutions of the ACC again led the way among Power 5 conferences in the "Best Colleges" rankings released by US News & World Report.

ACC History

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members - Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest - drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were: Dixie, Mid South, Mid Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed $200.00 to pay for conference expenses.

THE SEMINOLE TRIBE OF FLORIDA
THE UNCONQUERED PEOPLE

By Barry Ray
FSU Office of News and Public Affairs

As a people, few have prevailed over more trying circumstances than the Seminole Indians of Florida. Over the course of almost two centuries, Florida's Seminoles endured three wars with the U.S. government, resisted numerous efforts to relocate them to federal reservations in the West, and ultimately made their home in one of the world's most inhospitable environments, the Florida Everglades. That they have not only survived, but thrived — all the while maintaining their fierce independence and rich culture — is a tribute to their courage and perseverance. This is their story.

Long before European explorers ever visited the area now known as Florida, native peoples had been living here for thousands of years. In fact, as many as 100,000 members of four Indian nations — the Apalachee, the Tequesta, the Timucua and the Calusa — were living in highly organized settlements throughout the peninsula when the Spanish first arrived in 1513.

The native peoples' lack of resistance to smallpox, yellow fever and other "European" diseases, as well as later slaving raids from the English colonies of Georgia and South Carolina, eventually decimated their numbers. By the mid-18th century, the Indian nations of Florida had ceased to exist.

In their place, groups of Indians from a confederation of tribes collectively referred to as the Lower Creeks began moving into Florida from Alabama and Georgia. They had been pushed out of their former homes by the encroachment of white settlers, as well as by conflicts with other tribes. It was around this time that the name "Seminoles" first appeared; there are several possible explanations as to its origins.

When the first English speakers began arriving in Florida in 1763, they found many Creeks living as yat'siminoli, or "free people," across the northern part of the Florida peninsula. ("Yat'siminoli" was a term used in the Mikisúkî, or Miccosukee, language, which still is spoken today.) The settlers may have simply ignored the Indians' separate tribal affiliations and called them all Seminolies, or Seminoles.

Others believe that the Seminole name comes from the Spanish word cimarron, meaning "wild men" or "unconquered." The Indians may have been given this name because they had escaped from slavery in the English-controlled colonies to the north.

With the end of the American Revolutionary War in 1784, English-speaking settlers began moving southward in ever greater numbers, buying or seizing land from the native inhabitants. By 1813, some of the Creek tribes in Alabama rose up against the white settlers and the Indian tribes that supported them. This conflict, known as the Creek War of 1813-14, proved disastrous to all of the tribes. U.S. troops led by Gen. Andrew Jackson crushed the uprising and forced a treaty on the Creeks that took more than 2 million acres of land from them. Several thousand Creek warriors and their families migrated south into Spanish Florida, where they and the Seminoles increased their resistance to white settlement.

In 1814, such conflicts escalated into the first of three Seminole wars. Over the next four years, Jackson illegally entered Spanish Florida numerous times to burn Seminole villages and kill resistance leaders.

With the end of the First Seminole War in 1818, many Indians moved further into Florida. By 1820, the year before Spanish Florida became a U.S. territory, there were at least 5,000 Seminoles, Creeks and Mikisúkî people living here. However, a series of federal treaties failed to protect their rights and, in 1835, war broke out again.

The Second Seminole War (1835-42) proved to be the longest, most costly, and the last of the U.S. wars of Indian removal fought east of the Mississippi River. It also would be the first guerilla-style war faced by U.S. troops. Led by the fierce warrior Osceola, the Seminoles were aided by runaway slaves, who received protection from their allies in return for a portion of the agricultural staples that they grew. These so-called "Black Seminoles" also had a reputation as fierce fighters, and were equally determined to preserve their freedom.

The fighting ended in a stalemate in 1842, and an uneasy peace lasted for 14 years. In 1856, however, Seminole leader Billy Bowlegs and his followers were provoked by U.S. soldiers. They retaliated, and the ensuing series of skirmishes became known as the Third Seminole War (1856-58).

When U.S. troops once more withdrew — again with no treaty or victory — the Seminole Wars finally ended. All told, more than 3,000 Seminoles had been forcibly removed from Florida to the Western territories of Arkansas and Oklahoma. As few as 300 remained in Florida, and they took refuge within the dense swamps of the Everglades. However, their place in history was assured as the only American Indian tribe never to have signed a peace treaty with the U.S. government.

From the 1920s onward, as the development boom exploded in South Florida, the Seminoles lost more and more of their hunting lands to tourists and settlers. They became agricultural workers in the vegetable fields of South Florida, and also ran tourist attractions, wearing their colorful patchwork clothing, producing souvenirs and wrestling alligators.

On Aug. 21, 1957, the Seminole Tribe of Florida was established through a majority vote of Florida's Seminole Indians. This vote gave the Seminoles federal recognition as a self-governing tribe with a constitutional form of government. The Seminole Tribe of Florida now has almost 3,000 members living on five reservations across the peninsula at Hollywood, Big Cypress, Brighton, Immokalee and Tampa.

The Seminoles work hard to be economically independent. Tourism and gaming profits pay for infrastructure and schools on their reservations, while citrus groves, cattle agriculture, aircraft production, tobacco sales, land leases and aquaculture are other significant sources of revenue.

Having persevered through two centuries of adversity, the Seminole Indians of Florida have earned the right to call themselves "the unconquered people." Their indomitable spirit is one that Florida State University proudly seeks to emulate in all of its endeavors.

THE SYMBOL: SEMINOLES

Florida State would play two games in 1947 before students demanded the school acquire a symbol. While details conflict, most believe the account of a poll of the student body is accurate. The Florida Flambeau reported that Seminoles had won by 110 votes over Statesmen. The rest of the top contenders (in order) were Rebels, Tarpons, Fighting Warriors and Crackers.

In the 1950s, a pair of students dressed in Native American costumes and joined the cheerleaders on the field which eventually evolved into the majestic symbol of Osceola and Renegade that FSU now enjoys. Today, the Seminole Indian Tribe participates in many campus activities.

Florida State University is proud of its longstanding cooperative relationship with the Seminole Tribe of Florida. The Seminole people have suffered many hardships and injustices, but they have remained brave, dignified and proud. The Seminoles are unconquered. They symbolize what we hope will be the traits of all of our graduates, including our student-athletes.
